About the Talaria Global Equity Fund Currency Hedged Complex ETF (Code: TLRH)

The Talaria Global Equity Fund Currency Hedged Complex ETF aims to deliver superior risk-adjusted investment outcomes over the medium to long term by gaining exposure to international equities through investing in units in the Talaria Global Equity Fund (Managed Fund) – which is focused on producing investment returns through a combination of capital appreciation and selling options to generate option premiums, which add to the return – and reducing international currency volatility through currency hedging.

Units in the Fund are issued by Equity Trustees Limited ACN 004 031 298, AFSL 240975.
