Introduction

Cboe Australia Pty Ltd (**Cboe**) operates a licensed financial market in Australia for the execution of transactions in **financial products**. These **rules**, apart from those in section 11, are the operating rules of **Cboe** for the purposes of the **Corporations Act**. The **rules** in section 11 are the compensation rules of **Cboe** for the purposes of Division 3 of Part 7.5 of the **Corporations Act**.

Version 1.9 of these Rules came into force on 26 October 2020, which is also known in these rules as the **NGF transition date**. This is the date on which **Cboe** changed its compensation arrangements from fidelity fund arrangements under Division 3 of Part 7.5 of the Corporations Act, to arrangements covered by the **National Guarantee Fund (NGF)**.

The **Cboe market** was formerly known as the Chi-X market.

In June 2021, Cboe Global Markets, Inc, a leading provider of global market infrastructure and tradable products, completed its acquisition of Chi-X Asia Pacific Holdings, Ltd. and its subsidiaries including Chi-X Australia Pty Ltd. In early 2022, Chi-X Australia Pty Ltd (ACN 129 584 667) changed its name to Cboe Australia Pty Ltd (ACN 129 584 667). Version 1.91 of these Rules replaced relevant references to 'Chi-X' with 'Cboe'. The legal entity that holds the Australian market licence, operates the market and has contracted with participants and product issuers did not change. As such various materials, **Market Integrity Rules**, legislation and other instruments may still reference 'Chi-X' and the 'Chi-X market' and be read interchangeably with 'Cboe' and the 'Cboe market'.

These **rules** are binding on **Cboe** and all **participants**. The **rules** should be read in conjunction with the **Market Integrity Rules**, the **procedures** and the **Corporations Act**.

11 COMPENSATION ARRANGEMENTS – FIDELITY FUND

11.1 Introduction

- (a) Division 3 of Part 7.5 of the **Corporations Act** requires **Cboe** to have in place approved compensation arrangements for the protection of **retail clients** of **participants** in certain circumstances.
- (b) **Cboe** established a **fidelity fund** to assist in meeting these requirements. The **fidelity fund** is supported by insurance arrangements.
- (c) On 26 October 2020, which is also known as the **NGF transition date**, Cboe changed its compensation arrangements from the **fidelity fund** and insurance arrangements to the **NGF**. Cboe is permitted to withdraw cash from the **fidelity fund** over time but is required to maintain the insurance arrangements for seven years to deal with historic claims in respect of conduct that occurred prior to the **NGF transition date**.
- (d) Since 26 April 2023, **Cboe** has not been required to maintain any cash in the **fidelity fund** and the **fidelity fund** was terminated on 31 March 2026. Claims can no longer be made against the **fidelity fund**. Instead, claims can be made against the insurance arrangements in respect of conduct that occurred prior to the **NGF transition date**. Any such claims must be made on or before 25 October 2027, at which point the insurance arrangements will cease and no claims will be accepted.
- (e) This **rule 11** sets out how the insurance arrangements operate, details of the kinds of **losses** covered by the insurance arrangements, how clients can make a **claim**, and various other matters.
- (f) This **rule 11** applies only to **claims** in relation to losses covered by **rule 11.7**. A person who does not have a **claim** under this **rule 11**, may have a claim on the **NGF**, in accordance with **rule 11A**.

11.2 Source of funds

- (a) **Cboe** must maintain insurance arrangements capable of providing compensation for covered losses until 25 October 2027. The insurance arrangements must be set at a level of at least \$10 million.

11.4 Deleted 31/03/26

11.5 Deleted 31/03/26

11.7 Losses Covered

A **loss** is covered by the insurance arrangements referenced in rule 11.2, if it is not an **excluded loss** and:

- (a) a client gave money or other property, or authority over property, to a **participant** (or an entity which was previously a **participant** and which the **client** reasonably believed was a **participant**);
- (b) the money or other property, or the authority, was given to the **participant** in connection with effecting a transaction, or proposed transaction, through the **Cboe market**;
- (c) the effecting of the transaction through the **Cboe market** constitutes or would constitute the provision of a financial service to the client as a **retail client**; and
- (d) the client suffers a loss because of the defalcation or fraudulent misuse, prior to the **NGF transition date**, of the money, other property, or the authority given by the client (as applicable), by the **participant**.

For the avoidance of doubt a **claim** relating to an alleged **loss** caused by defalcation or fraudulent misuse may be allowed even if the person against whom the defalcation or misuse is alleged has not been convicted or prosecuted, or the evidence on which the **claim** is allowed would not be sufficient to establish the guilt of that person on a criminal trial in respect of the defalcation or criminal misuse.

11.8 Making a Claim

- (a) A **client** who has suffered a **loss** may make a claim under the insurance arrangements referenced in **rule 11.2**, by completing the claim form available on the **Cboe** website at www.cboe.com.au.
- (b) A **client** may only make one **claim** in respect of a particular **loss**.
- (c) A **claim** must be made within six months of the latter of the **claim** arising and the **client** becoming aware of its ability to make a **claim**. No **claim** may be made from the seventh anniversary of the **NGF transition date**.
- (d) **Cboe** may require a **client** making a **claim** to pay money, or transfer other property, in support of a **claim**.
- (e) **Cboe** may, by notice, require a person to deliver to it documents or copies of documents (including documents of or evidencing title to **financial products**), statements of evidence or other information that **Cboe** considers will assist it in determining a **claim**.
- (f) **Cboe** may disallow a **claim** if the person making the **claim** fails to comply with **rule (e)**.

11.9 Determination of Claims

- (a) **Cboe**, or a delegate of **Cboe**, may determine a **claim**.
- (b) **Cboe** must determine a **claim** within a reasonable time of receipt and notify a **client** of the outcome of a determination in relation to a **claim** within 10 **business days** of its determination.

- (c) A **claim** may be dismissed, allowed in full, or allowed in part (including, without limitation, in a case where **Cboe** considers that the conduct of the person making the **claim** contributed to the relevant **loss**).
- (d) Without limiting anything else in this **rule** 11.9, a **claim** may be disallowed if a person making a **claim** refuses to exercise any available right of set off.

11.10 Amount and Payment of Compensation

- (a) If **Cboe** determines a **claim** in favour of the person making the **claim** (whether in part or in full), **Cboe** must determine the amount of compensation to be paid.
- (b) Subject to paragraphs (c) and (d), the amount of compensation to be paid in respect of a **loss** is to be not less than the sum of:
 - (i) the actual pecuniary loss suffered by the **client**, calculated by reference to the market value of any relevant assets or liabilities as at the date on which the **loss** was suffered;
 - (ii) the **client's** reasonable costs of, and disbursements incidental to, the making and proof of the **claim**; and
 - (iii) interest on the amounts set out in paragraphs (i) at a rate of 5% per annum for the period from the day the **loss** was suffered until the day when compensation is paid in respect of that **loss** (or that part of the **loss**).
- (c) The amount of compensation payable in respect of a **loss** may be reduced by the amount of any set off available to the relevant **client**.
- (d) The maximum amount of compensation payable in respect of a **claim** is \$100,000, and the maximum amount of compensation payable in respect of all **claims** referable to a particular event or circumstance is \$1,000,000.
- (e) If the insurance arrangements referenced in rule 11.2 are insufficient to meet all **claims**, **claims** will be reduced on a pro rata basis or in such other manner as **Cboe** considers appropriate.
- (f) Compensation in relation to a **claim** may be paid in any manner **Cboe** deems appropriate, including but not limited to lump sums or instalments.
- (g) If a payment in relation to a claim, is paid pursuant to the insurance arrangements referenced in rule 11.2, then **Cboe** may recover from the **participant** or **participants** who caused the relevant **loss** the costs or expenses incurred by **Cboe** in determining the **claim** and the amount of any payments in relation to the **claim**. Each **participant** indemnifies and must keep indemnified **Cboe** in relation to any such amounts.
- (h) If a **claim** is allowed, **Cboe** must cause the relevant payment to be made within 28 days of the determination under **rule** 11.9.

11.11 Disclosure

A **participant** must provide the compensation disclosure contained in the **procedures** to a **retail client** before it accepts, from that **client**, an order for execution on the **Cboe market**.

Cboe does not exclude under this rule 12 any liability arising from conditions and warranties implied by or contained in statute, general law or custom where the exclusion or limitation of that liability would contravene any statute (including the Competition and Consumer Act 1974) or cause any part of this rule 12 to be void.
