

BIDS Trader Quick Reference

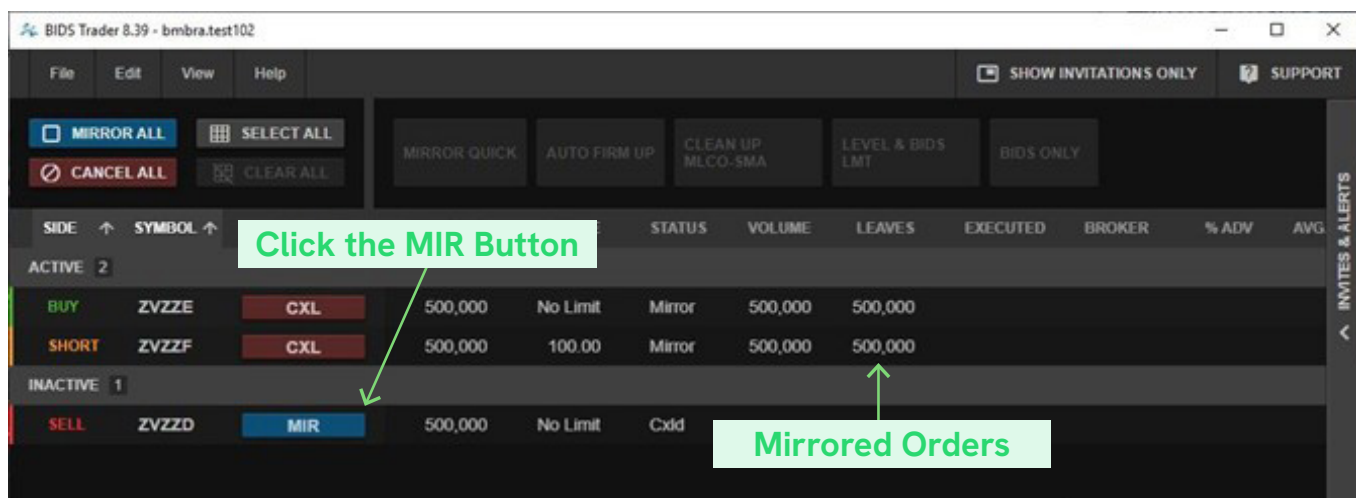

BIDS Blotter

- Real-time representation of uncommitted volume in your OMS/EMS. No orders working in BIDS.
- Users can toggle between the full blotter and a compact mode that only shows invitations by clicking SHOW INVITATIONS ONLY.

Mirror All or Mirror Specific Orders

- Click the **MIRROR ALL** button to mirror all of your uncommitted volume or select the individual order(s) by clicking the **MIR** button.

BIDS Trading®

Bids Invitation For Single Order

- You may edit the LIMIT PRICE, QUANTITY, and SPONSOR.
- Remind in (XX) = the order will “cool-off” (go inactive). We give you two cool-off periods - 5 minutes & 15 minutes - then you are inactive. Trader can click MIR manually from blotter to make order active again.
- Remind @ Px = tells BIDS to send another invite when a certain price is reached.
- Cxl for day = will push the order to an “inactive” state for the remainder of the day (trader can manually re-mirror).

The screenshot shows the BIDS Trader interface. On the left is a blotter table with columns: SIDE, SYMBOL, ACTION, KI, AVAILABLE, PRICE, STATUS, VOLUME, LEAVES. The table shows three active orders:

SIDE	SYMBOL	ACTION	KI	AVAILABLE	PRICE	STATUS	VOLUME	LEAVES
BUY	ZVZZE	CXL	✓	500,000	No Limit	Mirror	500,000	500,000
SELL	ZVZZD	CXL	✓	500,000	No Limit	Invited	500,000	500,000
SHORT	ZVZZF	CXL	✓	500,000	100.00	Invited	500,000	500,000

On the right is a detailed order form for 'SELL ZVZZD'. It includes buttons for 'FIRM UP', 'MIDPOINT', and 'AUTO FOR DAY'. The form shows 'Quantity: 500,000' and 'Limit: No Limit'. It also displays market data: 'BID: 999.00', 'ASK: 100.00', 'LAST: 100.50'. At the bottom of the form are buttons for 'REMIND IN 1', 'REMIND @ PX', and 'CXL FOR DAY'.

Traded Order

- Pop-up displays shares, price and total executed.

The screenshot shows the BIDS Trader interface with a 'Trade complete' pop-up window. The pop-up displays a checkmark icon and the text: 'Trade complete 500,000 @ 100.50'. The background blotter table is updated:

SIDE	SYMBOL	ACTION	AVAILABLE	PRICE	STATUS
SELL	ZVZZD		0	No Limit	Filled
BUY	ZVZZE	MIR	450,000	No Limit	Timeout
SHORT	ZVZZF	MIR	500,000	100.00	Cold
