©2023 Cboe Global Markets - All Rights Reserved. Cboe Europe B.V. is a Regulated Market supervised by the Netherlands Authority for the Financial Markets, and is a company registered in the Netherlands with registered company number 72273968 and registered office is located at Gustav Mahlerlaan 1212, 1081 LA Amsterdam, The Netherlands. Cboe Europe B.V. is a wholly-owned subsidiaries of Cboe Global Markets, Inc. This material has been established for information purposes only. None of the information concerning the services or products described in this document constitutes solicitation, advice or a recommendation of any product or service. To the extent that the information provided in this document constitutes a financial promotion as defined by relevant legislation, it is only directed at persons who qualify as a Professional Client or Eligible Counterparty. Persons who do not qualify should not act on or rely upon it. This information is not being provided as part of an offer or sale of any futures or options products to any persons located within the United States. Cboe Europe does not provide direct electronic access to persons located in the United States. Cboe Europe representatives and participants may familiarise certain registered broker-dealers and large financial institutions in the United States with certain eligible equity index options pursuant to the terms of the SEC's July 1, 2013 Class No-Action Relief. A Cboe Europe Participant that is not an SEC registered Broker-Dealer may deal with an Eligible Institution only in accordance with Rule 15a-6 under the Exchange Act, principally through a U.S. registered Broker-Dealer, as provided in Rule 15a-6. Before transacting in Eligible Options with an Eligible Broker-Dealer/Eligible Institution, Cboe Europe Participants must obtain, and maintain a record of representations, as set forth in Section 3.7 of the Cboe Europe Rule Book, from such Eligible Broker-Dealer/Eligible Institution, signed by an appropriate officer. Those who desire to trade any products available on the Cboe Europe market or who desire to offer and sell any such products to others should consider legal and regulatory requirements of those jurisdictions relevant to them, as well as the risks associated with such products, before doing so.
