

## Registration of OCC Clearing Number(s) For Options Regulatory Fee ('ORF') Billing Calculation

Each Cboe Clearing Trading Permit Holder and Clearing Member ("Member") must identify all Options Clearing Corporation ("OCC") clearing numbers associated with its membership, including those that are not registered to be given up on transactions executed on the Exchange.

The ORF is assessed by the Exchange to each Member for options transactions cleared by the Member that are cleared by OCC in the customer range, regardless of the exchange on which the transaction occurs.
