IT IS AGREED THAT:

0. DEFINITIONS

In this Agreement, unless the context otherwise requires, the following words shall have the following meanings:

“**Affiliate**” means any entity directly or indirectly owned by a party to this Agreement or any direct or indirect holding company of either party or any entity over which either party or a direct or indirect holding company of such party has power to direct or cause the direction of the management and policies of such entity, whether through ownership of voting securities, by agreement or otherwise.

“**Confidential Information**” means information that is designated as confidential or which by its nature is clearly confidential or which the receiving party knows or should reasonably know is confidential. Confidential Information includes (but is not limited to) any information concerning the technology, technical processes, data, procedures, business affairs and finance of the relevant party.

“**Initial Term**” means (i) if the Agreement is entered into before 30 June of a given year, the period until 31 December of the same year; or (ii) if the Agreement is entered into after 30 June of a given year, the period until 31 December of the subsequent year.

“**Website**” means the website operated and maintained by Cboe, <https://markets.cboe.com/>, as amended from time to time.

1. SERVICES

- 1.1 Subject to Recipient at all times meeting such reasonable requirements and conditions as Cboe may impose, Cboe shall provide Recipient with certain services relating to APA, systematic internaliser and MTF reporting (the “**Services**”). Cboe shall use reasonable endeavours to provide the Services in accordance with the “MiFID II Pre and Post Trade Reporting Service Description” available on its Website.
- 1.2 Cboe shall maintain appropriate security measures in relation to the System so as to comply with any binding rules and regulation that may be in force from time to time. The Services are provided exclusively to Recipient and to no other person and Recipient agrees that it shall take full responsibility for third party use of or access to the Services.
- 1.3 Recipient confirms that it has completed the technical and functional certification testing to ensure that it is able to use the System. Recipient shall maintain a connection to the System of such minimum quality as Cboe may reasonably prescribe from time to time. Recipient is solely responsible for all telecommunications costs and all other expenses incurred in linking to, and maintaining its link to, the System. Recipient shall provide reasonable assistance in relation to any review of the System and Service by a regulatory body having appropriate authority. Cboe accepts no responsibility for failure to provide the Services if Recipient does not have the necessary

Except as otherwise provided in this Agreement, it is the sole responsibility of the Recipient to ensure compliance, by itself and its customers, with all applicable laws, rules, and regulations. Recipient shall ensure that its use of the Services is sufficient for the purposes of satisfying any applicable legal or regulatory trade reporting requirements. - 1.5 Recipient shall provide Cboe with any such information relating to Recipient's use of the System as Cboe reasonably requires in connection with the provision of the Services. Recipient shall indemnify Cboe from and against any and all losses, liabilities, claims, actions, proceedings, costs or expenses (including any legal costs and any other reasonable expenses) incurred by Cboe arising out of or in connection with, directly or indirectly, the use of or access to the Services by Recipient or the Authorised Entities.
- 1.6 Cboe reserves the right to modify or change the Services at any time with or (in the case of emergency) without notice to Recipient provided that in the case of emergency notice shall be given

as soon as reasonably practicable thereafter. In the event that such change is a material change to the scope or level of performance of the Services (which for the avoidance of doubt includes without limitation any change that would require significant changes to the systems of Recipient, has significant legal or regulatory implications, or may result in substantial additional financial or administrative costs for Recipient) Cboe shall notify and use reasonable efforts to consult with Recipient prior to such change taking effect.

2. FEES

- 2.1 Recipient agrees to pay Cboe fees, charges and costs for the Services at the rates set out in the fee schedule posted on the Website as amended from time to time, subject to at least 90 (ninety) days prior notice to Recipient (the "**Fees**").
