

## New CFE Products Being Added in May 2018

### New Contract Details

Below are the new contracts that Cboe Futures Exchange, LLC (CFE) will be adding in May 2018. For each contract, the following information is provided: month/year or futures symbol, the listing date, the last trading day, and the final settlement date. If a contract trades during a portion of its final settlement date, a specific closing time is noted below. If no time is indicated below, trading in a contract on its last trading day ends at the close of regular trading hours for the contract.

<sup>1</sup> The last trading day and final settlement date for the VX27 expiration will be Tuesday, July 3, 2018 because trading in the S&P 500 Index (SPX) options that will be used to calculate the final settlement value for the VX27 expiration will be closed on Wednesday, July 4, 2018 for the Independence Day holiday. The amount of time until expiration for the constituent option series used to calculate the final settlement value will be increased to reflect the extra day until expiration of the constituent option series.

<sup>2</sup> The last trading day for the VXT27 expiration will be on Monday, July 2, 2018. TAS transactions in an expiring VX futures contract are not permitted during the business day of its final settlement date. As a result, trading in the VXT27 expiration on Tuesday, July 3, 2018 is not permitted.
