

CFE Information Circular IC17-049

Date: November 17, 2017
To: CFE Trading Privilege Holders and Vendors
From: API and CFE Helpdesk
RE: Cboe Bitcoin (USD) Futures Product Available for Testing

Cboe Futures Exchange, LLC (CFE) is preparing for the launch of Cboe Bitcoin (USD) futures as soon as Q4 2017, subject to regulatory review. The Cboe Bitcoin (USD) futures contract (Futures Symbol – XBT) is currently available for testing in the API CFE test environment. Please click the below link for the Cboe Bitcoin (USD) futures contract specifications.
