Re: REMINDER - Changes to Large Trader Reporting to CFTC and CFE

Cboe Futures Exchange, LLC (“CFE”) is issuing this Regulatory Circular to remind futures commission merchants, clearing members and foreign brokers (collectively “Reporting Firms”) to update their reporting of Large Trader Reports (“LTRs”) to submit their LTRs directly to both the Commodity Futures Trading Commission (“CFTC”) and CFE by **March 30, 2026**. Failure to do so will result in the inability to submit LTRs for CFE products.

ACTION REQUIRED

To ensure readiness to report LTRs to the CFTC and CFE by March 30, 2026, Reporting Firms must complete the following as soon as possible, if they have not done so already:

- register with the CFTC to report LTRs using the CFTC’s Position Entry for Reportable Traders (“PERT”) system; and
- register with CFE to report LTRs using the [Position/ OCR Reporting Portal](#).

For more information, please see [CFERG26-001 - Changes to Large Trader Reporting to CFTC and CFE](#).
