RE: No change in the Options Regulatory Fee

Cboe EDGX Options Exchange is not changing the Options Regulatory Fee (“ORF”) which is currently established at \$0.00018 per option contract. The ORF will be reevaluated in June 2019, and notification will be made if it is determined that the rate will be adjusted.

Additional Information

Please contact the Regulatory Interpretations team at reginterps@cboe.com or (312) 786-8141 for additional information.
