

Regulatory Circular RG02-40

Date: June 19, 2002
To: Members and Member Organizations
From: Equity Floor Procedure Committee (EFPC)
Re: Use of External Speakers on Electronic Devices

The use of external speakers on any electronic devices (e.g., radios, squawk boxes, computers, PDAs, phones etc.) is prohibited unless specific permission has been received from EFPC. To date, EFPC has not authorized the use of external speakers on any devices.

Any questions regarding this policy should be directed to Karen Calvin, Market Regulation (312) 786-7759.
