

Regulatory Circular RG07-77

Date: July 18, 2007
To: Membership
From: Index Market Performance Committee
Re: QQQQ Tier/Cost Revision

The Index Market Performance Committee determined to lower the cost for quoting QQQ PRODUCTS/EQUITY (QQQQ). Previously, QQQQ was listed in the A+ Tier at a seat cost of 0.25 and has now been moved to the A Tier for a seat cost of 0.10. Anyone currently appointed in QQQQ has had his/her seat cost adjusted accordingly.

To view the current seat calculator on line, please go to:
<https://www.cboe.org/members/generalinfo/rmmmain.aspx>

If you have any questions regarding this change or the appointment process, please contact Daniel Hustad, Vice President of Market Quality Assurance, at (312) 786-7715 or any member of the Market Quality Assurance Department at (312) 786-7198 or mqa@cboe.com.
