RE: Restrictions on Transactions in
Thornburg Mortgage, Inc. ("TMA")

On Thursday, December 4, 2008, the NYSE suspended trading in Thornburg Mortgage, Inc. (TMA).

Trading on the CBOE in existing series of TMA/YLE and adjusted TYF/YPU options is subject to the following restrictions. Only closing transactions may be affected in any series of TMA/YLE and adjusted TYF/YPU options except for (i) opening transactions by market makers executed to accommodate closing transactions of other market participants and (ii) opening transactions by CBOE member organizations to facilitate the closing transactions of public customers executed as crosses pursuant to and in accordance with CBOE Rule 6.74(b) or (d).

The execution of opening transactions in TMA/YLE and adjusted TYF/YPU options, except as permitted above, and/or the misrepresentation as to whether an order is opening or closing, will constitute a violation of CBOE rules, and may result in disciplinary action. Member organizations should ensure that they have appropriate procedures in place to prevent their customers from entering opening orders in this restricted option class. In addition, transactions in contravention of this restriction may be subject to nullification pursuant to Exchange Rule 6.25 or 24.16.

There are no restrictions in place with respect to the exercise of TMA/YLE and adjusted TYF/YPU options. The provisions of this circular apply to any options on TMA/YLE and adjusted TYF/YPU traded on CBOE.

Any questions regarding this circular may be directed to Kerry Winters at (312) 786-7312 or Ji Min Kim at (312) 786-7043.
