C2 Regulatory Circular RG17-055**Date:** September 28, 2017**To:** CBOE and C2 Trading Permit Holders**From:** Market Operations and API Group**RE:** Symbology Change Affecting CMI2 and FIX – Update #2

This circular updates CBOE Regulatory Circular [RG17-130](#) and C2 Regulatory Circular [RG17-053](#).

Chicago Board Options Exchange, Incorporated (“CBOE”) and C2 Options Exchange (“C2”) planned to make a symbology change to option products overlying class-specific underlyings (i.e. BRK/B, CBS/A, etc.) on Monday, October 2, 2017. The symbology change was planned to accommodate an output format change being initiated by Securities Industry Automation Corporation (“SIAC”). SIAC has announced the output format change has been rescheduled to Monday, October 9, 2017. Due to the SIAC announcement, the CBOE and C2 symbology change will now occur effective, Monday, October 9, 2017.
