**Re: Due Date for Membership Applications to be Considered
at the December 1995 Membership Committee Meeting**

Date: October 31, 1995

The December 1995 meeting of the Membership Committee is scheduled for December 14, 1995. Therefore, in order to satisfy the Committee's 14 day posting period requirement pursuant to Exchange Rule 3.9(c)(3), all membership applications must be submitted to the Membership Department no later than Wednesday, November 29, 1995 in order to be eligible for consideration by the Committee at its December 14, 1995 meeting.

Please also be advised that Chapter III of the Exchange's Rules sets forth other requirements, in addition to the posting period requirement, that must be satisfied before the Membership Committee may take action upon whether to approve a membership application. For example, Chapter III gives the Committee the authority to table a membership application for various reasons. Therefore, please be aware that the membership application process may take longer than the 14 day posting period referred to above.
