Item 2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by the Exchange's Office of the Chairman pursuant to delegated authority on February 21, 2007.

Item 3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The purpose of this rule change is to amend CBOE Rule 8.3 and Rule 8.4 in connection with CBOE's determination to trade options on the S&P 100 (XEO) on the Hybrid 2.0 Platform.<sup>1</sup>

Presently, XEO and options on the S&P 100 (OEX) collectively have an appointment cost of 1.0. CBOE intends to "decouple" XEO from OEX for purposes of assigning an appointment cost when XEO trades on the Hybrid 2.0 Platform. On Hybrid 2.0, XEO's appointment cost will be .25 and XEO will be classified in Tier A+. In connection with this change, CBOE also proposes to amend OEX's appointment cost and assign it a cost of .75. OEX will continue to be classified as a Non-Hybrid option class. CBOE intends to trade XEO on the Hybrid 2.0 Platform beginning on March 1, 2007.

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) Act<sup>2</sup> requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

Item 4. Self-Regulatory Organization's Statement on Burden on Competition

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Item 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

Item 6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period specified in Section 19(b)(2) of the Act for Commission consideration of the proposed rule change.

---

<sup>1</sup> CBOE Rule 1.1(aaa) defines Hybrid Trading System and Hybrid 2.0 Platform.

<sup>2</sup> 15 U.S.C. 78f(b)(5).

Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A)<sup>3</sup> of the Securities Exchange Act of 1934 and Rule 19b-4(f)(6)<sup>4</sup> thereunder because it effects a change that (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

Trading XEO on the Hybrid 2.0 Platform does not raise any new or unique issues. The Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of the filing of the proposed rule change as required by Rule 19b-4(f)(6).

For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 of the Act. The Exchange respectfully requests that the Commission waive the provision providing for “non-controversial” rule changes to become operative in 30 days and permit the proposed rule change to take effect and become operative on March 1, 2007, pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder. Waiving the 30 days will enable the Exchange to trade XEO on the Hybrid 2.0 Platform as proposed in this rule change.

Item 8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or the Commission

This proposed rule change is not based on the rules of another self-regulatory organization or of the Commission.

<sup>3</sup> 15 U.S.C. 78s(b)(3)(A)(iii).

<sup>4</sup> 17 CFR 240.19b-4(f)(6).

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant parts of such statements.

**A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

The purpose of this rule change is to amend CBOE Rule 8.3 and Rule 8.4 in connection with CBOE's determination to trade options on the S&P 100 (XEO) on the Hybrid 2.0 Platform.<sup>5</sup>

Presently, XEO and options on the S&P 100 (OEX) collectively have an appointment cost of 1.0. CBOE intends to "decouple" XEO from OEX for purposes of assigning an appointment cost when XEO trades on the Hybrid 2.0 Platform. On Hybrid 2.0, XEO's appointment cost will be .25 and XEO will be classified in Tier A+. In connection with this change, CBOE also proposes to amend OEX's appointment cost and assign it a cost of .75. OEX will continue to be classified as a Non-Hybrid option class. CBOE intends to trade XEO on the Hybrid 2.0 Platform beginning on March 1, 2007.

Accordingly, CBOE believes the proposed rule change is consistent with the Act<sup>6</sup> and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of section 6(b) of the Act.<sup>7</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>8</sup> requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

**B. Self-Regulatory Organization's Statement on Burden on Competition**

---

<sup>5</sup> CBOE Rule 1.1(aaa) defines Hybrid Trading System and Hybrid 2.0 Platform.

<sup>6</sup> 15 U.S.C. 78a *et seq.*

<sup>7</sup> 15 U.S.C. 78(f)(b).

<sup>8</sup> 15 U.S.C. 78(f)(b)(5).

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Exchange Act.

**C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

The Exchange neither received nor solicited written comments on the proposal

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>9</sup> and Rule 19b-4(f)(6) thereunder.<sup>10</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

**IV. Solicitation of Comments**
