For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3).

Exhibit 5 - Proposed Rule Text

Partial Amendment

[Add](#) [Remove](#) [View](#)

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

Item 1. Text of Proposed Rule Change

The Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) proposes to amend its delisting policy. CBOE is not proposing any text changes to the rules of CBOE.

Item 2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by the Exchange’s Office of the Chairman pursuant to delegated authority on May 24, 2007.

Item 3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

On January 23, 2007, the SEC approved CBOE’s rule filing (SR-CBOE-2006-92) to permit thirteen option classes to trade in penny increments in connection with the Penny Pilot Program. In its rule filing, CBOE discussed the various quote mitigation strategies that it had already implemented and intended to implement. One of the quote mitigation strategies was to adopt a delisting policy. CBOE’s delisting policy currently provides that CBOE will delist any equity option class with national average daily volume (“ADV”) of less than 20 contracts.

Because CBOE’s rule filing relating to the Penny Pilot Program was only approved on a six-month pilot basis, including apparently the delisting policy, CBOE now requests that its delisting policy be approved on a permanent basis.¹

CBOE also proposes to amend its delisting policy to provide that CBOE may make exceptions to its delisting policy in appropriate circumstances. For example, if an option class that otherwise would qualify to be delisted (due to having a national ADV of less than 20 contracts) experiences a significant increase in trading volume, CBOE could choose not to delist the option class. To qualify, the option class would need to have a national ADV of 20 or more contracts in the month immediately preceding its scheduled delisting, or in the twenty trading days prior to its scheduled delisting.

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act. Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) Act² requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

Item 4. Self-Regulatory Organization's Statement on Burden on Competition

¹ It is unclear from the approval order whether the delisting policy was intended to be approved only on a six-month pilot basis, as opposed to the changes to the minimum increments for the thirteen option classes participating in the Penny Pilot Program.

² 15 U.S.C. 78f(b)(5).

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Item 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

Item 6. Extension of Time Period for Commission Action

The Exchange does not consent to an extension of the time period specified in Section 19(b)(2) of the Act for Commission consideration of the proposed rule change.

Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A)³ of the Securities Exchange Act of 1934 and Rule 19b-4(f)(6)⁴ thereunder because it effects a change that (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of the filing of the proposed rule change as required by Rule 19b-4(f)(6).

For the foregoing reasons, this rule filing qualifies for immediate effectiveness as a “non-controversial” rule change under paragraph (f)(6) of Rule 19b-4 of the Act. With respect to the portion of the rule change that requests permanent approval of its delisting policy, the Exchange respectfully requests that the Commission waive the provision providing for “non-controversial” rule changes to become operative in 30 days and permit the proposed rule change to take effect and become operative immediately, pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.

Item 8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or the Commission

Not applicable.

(the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on _____, 2007, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

On January 23, 2007, the SEC approved CBOE's rule filing (SR-CBOE-2006-92) to permit thirteen option classes to trade in penny increments in connection with the Penny Pilot Program. In its rule filing, CBOE discussed the various quote mitigation strategies that it had already implemented and intended to implement. One of the quote mitigation strategies was to adopt a delisting policy. CBOE's delisting policy currently provides that CBOE will delist any equity option class with national average daily volume ("ADV") of less than 20 contracts.

Because CBOE's rule filing relating to the Penny Pilot Program was only approved on a six-month pilot basis, including apparently the delisting policy, CBOE requests that its delisting policy be approved on a permanent basis.⁵

CBOE also proposes to amend its delisting policy to provide that CBOE may make exceptions to its delisting policy in appropriate circumstances. For example, if an option class that otherwise would qualify to be delisted (due to having a national ADV of less than 20 contracts) experiences a significant increase in trading volume, CBOE could choose not to delist the option class. To qualify, the option class would need to have a national ADV of 20 or more contracts in the month immediately preceding its scheduled delisting, or in the twenty trading days prior to its scheduled delisting.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the "Act") and the rules and regulations under the Act applicable to a national securities

exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) Act⁷ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, provided that the self-regulatory organization has given the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change or such shorter time as designated by the Commission, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
