Dear Mr. Stawick:

Pursuant to Section 5c(c)(1) of the Commodity Exchange Act, as amended ("Act"), and §40.6(a) of the regulations promulgated by the Commodity Futures Trading Commission ("Commission") under the Act, CBOE Futures Exchange, LLC ("CFE" or "Exchange") hereby submits this rule change ("Amendment") to amend CFE Rule 420 to (i) provide that the Exchange may allow transfers of positions if the Exchange determines that allowing the transfer would be in the interest of preserving an orderly market, the protection of market participants, or the best interest of the Exchange or is otherwise warranted due to unusual or extenuating circumstances, and (ii) make explicit that Clearing Members may transfer positions pursuant to Rule 420 using the mark-to-market prices of the positions on the day of the transfer.

The Amendment will become effective on April 8, 2008.

CFE is not aware of any substantive opposing views to the Amendment. CFE hereby certifies that the Amendment complies with the Act and the regulations thereunder.

The Amendment, marked to show additions in underlined text and deletions in [bracketed] text, consists of the following:

Rule 420. Transfers of Positions

(b) Upon written request, the Exchange may, in its sole discretion, allow the transfer of a position:

(i) as a result of a merger, asset purchase, consolidation, or similar non-recurring transaction for a Person; or

(ii) if the President or his designee determines that allowing the transfer would be in the interest of preserving an orderly market, the protection of market participants, or the best interest of the Exchange or is otherwise warranted due to unusual or extenuating circumstances.

(c) Clearing Members must transfer positions pursuant to this Rule either at the:

(i) [same] original trade prices of the positions that appear on the books of the transferring Clearing Member, [and] in which case the records of the transfer must indicate the [date when the] original trade [was made] dates for the positions; or
