Add Remove View

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Add Remove View

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

Partial Amendment

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

BATS Exchange, Inc. (the “Exchange” or “BATS”) is filing this partial amendment to SR-BATS-2010-002, which was originally filed on February 2, 2010, to add additional text to the purpose section of the filing. At the bottom of page 11 of 33, at the end of the final paragraph of that page, the Exchange proposes to insert the following text:

Furthermore, a market participant could gain access to the same information provided through the proposed BATS Market Insight product through a combination of: (1) existing, free data feeds from the Exchange (for displayed trading interest), and (2) information gathered by the market participant through its trading activities on the Exchange and/or through the consolidated data published by the SIPs reporting executions that occurred on the Exchange (for non-displayed trading interest).

The Exchange proposes inserting the same language on page 26 of 33, at the end of the paragraph at the top of the page, which carries over from page 25.

No other changes are proposed through this partial amendment.
