1. Text of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² BATS Exchange, Inc. (the “Exchange”, “BZX Exchange” or “BZX”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to amend the fee schedule applicable to Members³ of the Exchange pursuant to BZX Rules 15.1(a) and (c). While changes to the fee schedule pursuant to this proposal will be effective upon filing, the changes will become operative on November 1, 2010.

(a) The text of the proposed rule change is attached as Exhibit 5. Material proposed to be added is underlined. Material proposed to be deleted is enclosed in brackets.

(b) Not applicable.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on November 10, 2009. Exchange staff will advise the Board of Directors of the Exchange of any action taken pursuant to delegated authority. No other action is necessary for the filing of the rule change.

³ A Member is any registered broker or dealer that has been admitted to membership in the Exchange.

Questions regarding this rule filing may be directed to Eric Swanson, Senior Vice President and General Counsel of the Exchange at (913) 815-7000.

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

(a) Purpose

The Exchange proposes to modify the "Equities Pricing" section of its fee schedule to increase its standard fee for removing liquidity from the Exchange to \$0.0028 per share and to increase its standard rebate for adding displayed liquidity to the Exchange to \$0.0027 per share. The Exchange does not propose to charge different fees or grant different rebates depending on the amount of orders submitted to, and/or trades executed on or through, the Exchange. Accordingly, all fees and rebates described below are applicable to all Members, regardless of the overall volume of their trading activities on the Exchange.

Consistent with the current fee to remove liquidity, the charge per share for executions that remove liquidity from the Exchange will not apply executions that remove liquidity in securities priced under \$1.00 per share. The fee for such executions will remain at 0.10% of the total dollar value of the execution. Similarly, as is currently the case for the rebate for adding liquidity to the Exchange, there will be no liquidity rebate for adding liquidity in securities priced under \$1.00 per share. Finally, the rebate paid by the Exchange for adding non-displayed liquidity will remain at \$0.0020 per share. As defined on the Exchange's current fee schedule, "non-displayed liquidity" includes liquidity resulting from all forms of Pegged Orders,⁴ Mid-Point Peg Orders,⁵ and

⁴ As defined in BZX Rule 11.9(c)(8).

Non-Displayed Orders,⁶ but does not include liquidity resulting from Reserve Orders⁷ or Discretionary Orders.⁸

In addition to the changes described above, and to differentiate itself from its affiliate, BATS Y-Exchange, Inc. (“BYX Exchange”), which recently commenced operations, the Exchange proposes to use the name “BZX Exchange” and “BZX” throughout the fee schedule, other than when referring to its equity options platform, which it will refer to as “BATS Options.” Similarly, the Exchange proposes defining its affiliate, as it has done above, as “BYX Exchange.” Also, the Exchange proposes to make stylistic changes, including referring to its book of orders as its “order book”, rather than just its “book.” Finally, the Exchange proposes to remove one heading from its fee schedule, “Options Pricing (Continued)”, which is no longer necessary for the printed version of its fee schedule.

(b) Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.⁹ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,¹⁰ in that it provides for the equitable allocation of reasonable

dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls.

The impact of the proposed price changes upon the net fees paid by a particular market participant will depend upon a number of variables, including the prices of the market participant's quotes and orders relative to the national best bid and offer (i.e., its propensity to add or remove liquidity), the types of securities that it trades and its usage of non-displayed quotes/orders. While Members that generally remove liquidity from the Exchange will be paying a higher fee, the Exchange believes that such Members will benefit to the extent the higher rebate paid by the Exchange for adding liquidity attracts additional liquidity and thus improves the depth of liquidity available on the Exchange.

The Exchange notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive. The Exchange believes that its fees and credits are competitive with those charged by other venues. Finally, the Exchange believes that the proposed rates are equitable in that they apply uniformly to all Members.

4. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Pursuant to Section 19(b)(3)(A)(ii) of the Act¹¹ and Rule 19b-4(f)(2) thereunder,¹² the Exchange has designated this proposal as establishing or changing a due, fee, or other charge applicable to its members, which renders the proposed rule change effective upon filing.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to modify the "Equities Pricing" section of its fee schedule to increase its standard fee for removing liquidity from the Exchange to \$0.0028 per share and to increase its standard rebate for adding displayed liquidity to the Exchange to \$0.0027 per share. The Exchange does not propose to charge different fees or grant different rebates depending on the amount of orders submitted to, and/or trades executed on or through, the Exchange. Accordingly, all fees and rebates described below are applicable to all Members, regardless of the overall volume of their trading activities on the Exchange.

Consistent with the current fee to remove liquidity, the charge per share for executions that remove liquidity from the Exchange will not apply executions that

As defined on the Exchange's current fee schedule, "non-displayed liquidity" includes liquidity resulting from all forms of Pegged Orders,⁶ Mid-Point Peg Orders,⁷ and Non-Displayed Orders,⁸ but does not include liquidity resulting from Reserve Orders⁹ or Discretionary Orders.¹⁰

In addition to the changes described above, and to differentiate itself from its affiliate, BATS Y-Exchange, Inc. Similarly, the Exchange proposes defining its affiliate, as it has done above, as "BYX Exchange." Also, the Exchange proposes to make stylistic changes, including referring to its book of orders as its "order book", rather than just its "book." Finally, the Exchange proposes to remove one heading from its fee schedule, "Options Pricing (Continued)", which is no longer necessary for the printed version of its fee schedule.

⁹ As defined in BZX Rule 11.9(c)(1).

¹⁰ As defined in BZX Rule 11.9(c)(10).

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6 of the Act.¹¹ Specifically, the Exchange believes that the proposed rule change is consistent with Section 6(b)(4) of the Act,¹² in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using any facility or system which the Exchange operates or controls.

No written comments were solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act¹³ and Rule 19b-4(f)(2) thereunder,¹⁴ because it establishes or changes a due, fee or other charge imposed on members by the Exchange. Accordingly, the proposal is effective upon filing with the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
