SECURITIES AND EXCHANGE COMMISSION
WASHINGTON, D.C. 20549

For complete Form 19b-4 instructions please refer to the EFFS website.

Form 19b-4 Information (required)

Add Remove View

The self-regulatory organization must provide all required information, presented in a clear and comprehensible manner, to enable the public to provide meaningful comment on the proposal and for the Commission to determine whether the proposal is consistent with the Act and applicable rules and regulations under the Act.

Exhibit 1 - Notice of Proposed Rule Change (required)

Add Remove View

The Notice section of this Form 19b-4 must comply with the guidelines for publication in the Federal Register as well as any requirements for electronic filing as published by the Commission (if applicable). The Office of the Federal Register (OFR) offers guidance on Federal Register publication requirements in the Federal Register Document Drafting Handbook, October 1998 Revision. For example, all references to the federal securities laws must include the corresponding cite to the United States Code in a footnote. All references to SEC rules must include the corresponding cite to the Code of Federal Regulations in a footnote. All references to Securities Exchange Act Releases must include the release number, release date, Federal Register cite, Federal Register date, and corresponding file number (e.g., SR-[SRO]-xx-xx). A material failure to comply with these guidelines will result in the proposed rule change being deemed not properly filed. See also Rule 0-3 under the Act (17 CFR 240.0-3)

Exhibit 2 - Notices, Written Comments, Transcripts, Other Communications

Add Remove View

Exhibit Sent As Paper Document

Copies of notices, written comments, transcripts, other communications. If such documents cannot be filed electronically in accordance with Instruction F, they shall be filed in accordance with Instruction G.

Exhibit 3 - Form, Report, or Questionnaire

Add Remove View

Exhibit Sent As Paper Document

Copies of any form, report, or questionnaire that the self-regulatory organization proposes to use to help implement or operate the proposed rule change, or that is referred to by the proposed rule change.

Exhibit 4 - Marked Copies

Add Remove View

The full text shall be marked, in any convenient manner, to indicate additions to and deletions from the immediately preceding filing. The purpose of Exhibit 4 is to permit the staff to identify immediately the changes made from the text of the rule with which it has been working.

Exhibit 5 - Proposed Rule Text

Add Remove View

The self-regulatory organization may choose to attach as Exhibit 5 proposed changes to rule text in place of providing it in Item I and which may otherwise be more easily readable if provided separately from Form 19b-4. Exhibit 5 shall be considered part of the proposed rule change.

Partial Amendment

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

Item 1. Text of Proposed Rule Change

(a) Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") proposes to amend its Fees Schedule to make changes related to options on Exchange-Traded Notes and Exchange-Traded Funds. The text of the proposed rule change is set forth in Exhibit 5.

(b) Not applicable.

(c) Not applicable.

Item 2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by the Exchange's Office of the Chairman pursuant to delegated authority on July 16, 2010.

Item 3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

Exchange-Traded Note ("ETN") Options¹

The first change being proposed by this filing is to codify the Exchange's existing practice of assessing fees for transactions in ETN options at the same rates charged for Exchange-Traded Fund ("ETF") options.² To affect this change, the Exchange is proposing to amend Section 1, Index Options, to the Fees Schedule by including references to ETNs throughout that section. The transaction fees for ETN options are as follows:

- \$0.20 per contract for Market-Maker and Designated Primary Market-Maker transactions;³

¹ ETN options are also referred to as "Index Linked Securities" in Interpretation and Policy .13 to Rule 5.3. See also Securities Exchange Act Release No. 58204 (July 22, 2008), 73 FR 43807 (July 28, 2008) (order approving proposal to list and trade ETN options) (SR-CBOE-2008-64)

² See e.g., Securities Exchange Act Release No. 61696 (March 12, 2010), 75 FR 13174 (March 18, 2010) (noting the Exchange's belief that the marketplace and investors expect ETN options to trade in a similar manner to ETF options) (SR-CBOE-2010-005).

³ This is the standard rate that is subject to the Liquidity Provider Sliding Scale as set forth in Footnote 10 to the Fees Schedule.

- \$0.20 per contract for Clearing Trading Permit Holder proprietary transactions;
- \$0.25 per contract for manually executed broker-dealer transactions;
- \$0.45 per contract for electronically executed broker-dealer transactions;
- \$0.20 per contract for voluntary professional transactions;
- \$0.20 per contract for professional transactions;
- \$0.18 per contract for customer transactions; and
- \$0.10 per contract CFLEX surcharge fee.

The Exchange is also proposing to amend Section 2, Marketing Fee, to the Fees Schedule to codify the marketing fee (\$0.25) that will be assessed to any ETN options classes that participate in the Penny Pilot. Currently, there are no ETN options classes in the Penny Pilot.

In addition, the Exchange is proposing to add a reference to ETN options to Footnote 6 regarding the assessment of the marketing fee, which is \$0.65 per contract for those classes not in the Penny Pilot.⁴

The Exchange is also proposing to add a reference to ETN options to Footnote 9 regarding the waiver of transaction fees for customer orders of 99 contracts or less and the charging of any leg of a complex order in ETN options that exceed 99 contracts, even if the leg is only partially executed below the 99 contract threshold.

Lastly, the Exchange is proposing to add a reference to ETN options to Section 18, Customer Large Trade Discount, which provides that regular customer transaction fees will only be charged up to the first 3,000 contracts.

Exchange-Traded Note and HOLDRs Options

The second change being proposed by this filing is to amend Section 2, Marketing Fee, to the Fees Schedule to codify the marketing fee (\$0.25) that will be assessed to any ETF and HOLDing Company Depository Receipts ("HOLDRs") option classes that

⁴ See Section 2, Marketing Fee, of the Fees Schedule.

participate in the Penny Pilot (other than those ETF options that are either assessed a modified marketing fee or no marketing fee).

In addition, the Exchange notes that options on the iShares MSCI Emerging Markets Index Fund ("EEM") and the iShares MSCI Taiwan Index Fund ("EWT") are not assessed a marketing fee.⁵ EEM and EWT are classes that participate in the Penny Pilot. Similar to QQQQ and IWM (which are not assessed a marketing fee and participate in the Penny Pilot), the Exchange is proposing to add EEM and EWT to QQQQ and IWM to Section 2, Marketing Fee, to clarify that no marketing fee applies to these Penny Pilot classes.

(b) Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 ("Act")⁶, in general, and furthers the objectives of Section 6(b)(4)⁷ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE Trading Permit Holders and other persons using its facilities. The Exchange believes the fee changes proposed by this filing are equitable and reasonable in that will codify the Exchange's existing practice of assessing fees for ETN options in a manner similar to ETF options. In addition, the changes proposed by this filing clarify CBOE's Fees Schedule.

Item 4. Self-Regulatory Organization's Statement on Burden on Competition

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

Item 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

⁵ See Footnote 6 of the Fees Schedule.

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(4).

No written comments were solicited or received with respect to the proposed rule change.

Item 6. Extension of Time Period for Commission Action

Not applicable.

Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

(a) The proposed rule change has taken effect upon filing pursuant to Section 19(b)(3)(A) of the Act.⁸

(b) The proposed rule change is designated by the Exchange as establishing or changing a due, fee, and other charges among its Trading Permit Holders and other persons using its facilities, thereby qualifying for effectiveness on filing pursuant to Section 19(b)(3)(A)(ii)⁹ of the Act and subparagraph (f)(2) of Rule 19b-4¹⁰ thereunder.

(c) Not applicable.

(d) Not applicable.

Item 8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or the Commission

Not applicable.

Item 9. Exhibits

Exhibit 1. Form of Notice of Proposed Rule Change for publication in the Federal Register.

Exhibit 5. Text of Proposed Rule Change.

EXHIBIT 1

SECURITIES AND EXCHANGE COMMISSION
(Release No. 34- ; File No. SR-CBOE-2010-068)

Dated: _____

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Fees Schedule

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on _____ 2010, Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by CBOE under Section 19(b)(3)(A)(ii) of the Act³ and Rule 19b-4(f)(2) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its Fees Schedule to make changes related to options on Exchange-Traded Notes and Exchange-Traded Funds. The text of the proposed rule change is available on the Exchange's website (<http://www.cboe.org/Legal>), at the Exchange's Office of the Secretary and at the Commission.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

⁴ 17 CFR 240.19b-4(f)(2).

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Exchange-Traded Note ("ETN") Options⁵

The first change being proposed by this filing is to codify the Exchange's existing practice of assessing fees for transactions in ETN options at the same rates charged for Exchange-Traded Fund ("ETF") options.⁶ To affect this change, the Exchange is proposing to amend Section 1, Index Options, to the Fees Schedule by including references to ETNs throughout that section. The transaction fees for ETN options are as follows:

- \$0.20 per contract for Market-Maker and Designated Primary Market-Maker transactions;⁷
- \$0.20 per contract for Clearing Trading Permit Holder proprietary transactions;
- \$0.25 per contract for manually executed broker-dealer transactions;
- \$0.45 per contract for electronically executed broker-dealer transactions;
- \$0.20 per contract for voluntary professional transactions;
- \$0.20 per contract for professional transactions;
- \$0.18 per contract for customer transactions; and

⁵ ETN options are also referred to as "Index Linked Securities" in Interpretation and Policy .13 to Rule 5.3. See also Securities Exchange Act Release No. 58204 (July 22, 2008), 73 FR 43807 (July 28, 2008) (order approving proposal to list and trade ETN options) (SR-CBOE-2008-64)

⁶ See e.g., Securities Exchange Act Release No. 61696 (March 12, 2010), 75 FR 13174 (March 18, 2010) (noting the Exchange's belief that the marketplace and investors expect ETN options to trade in a similar manner to ETF options) (SR-CBOE-2010-005).

⁷ This is the standard rate that is subject to the Liquidity Provider Sliding Scale as set forth in Footnote 10 to the Fees Schedule.

- \$0.10 per contract CFLEX surcharge fee.

The Exchange is also proposing to amend Section 2, Marketing Fee, to the Fees Schedule to codify the marketing fee (\$0.25) that will be assessed to any ETN options classes that participate in the Penny Pilot. Currently, there are no ETN options classes in the Penny Pilot.

In addition, the Exchange is proposing to add a reference to ETN options to Footnote 6 regarding the assessment of the marketing fee, which is \$0.65 per contract for those classes not in the Penny Pilot.⁸

The Exchange is also proposing to add a reference to ETN options to Footnote 9 regarding the waiver of transaction fees for customer orders of 99 contracts or less and the charging of any leg of a complex order in ETN options that exceed 99 contracts, even if the leg is only partially executed below the 99 contract threshold.

Lastly, the Exchange is proposing to add a reference to ETN options to Section 18, Customer Large Trade Discount, which provides that regular customer transaction fees will only be charged up to the first 3,000 contracts.

Exchange-Traded Note and HOLDRs Options

The second change being proposed by this filing is to amend Section 2, Marketing Fee, to the Fees Schedule to codify the marketing fee (\$0.25) that will be assessed to any ETF and HOLding Company Depository ReceiptS ("HOLDRs") option classes that participate in the Penny Pilot (other than those ETF options that are either assessed a modified marketing fee or no marketing fee).

In addition, the Exchange notes that options on the iShares MSCI Emerging Markets Index Fund ("EEM") and the iShares MSCI Taiwan Index Fung ("EWT") are not assessed a

⁸ See Section 2, Marketing Fee, of the Fees Schedule.

marketing fee.⁹ EEM and EWT are classes that participate in the Penny Pilot. Similar to QQQQ and IWM (which are not assessed a marketing fee and participate in the Penny Pilot), the Exchange is proposing to add EEM and EWT to QQQQ and IWM to Section 2, Marketing Fee, to clarify that no marketing fee applies to these Penny Pilot classes.

(b) Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act¹⁰, in general, and furthers the objectives of Section 6(b)(4)¹¹ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE Trading Permit Holders and other persons using its facilities. The Exchange believes the fee changes proposed by this filing are equitable and reasonable in that will codify the Exchange's existing practice of assessing fees for ETN options in a manner similar to ETF options. In addition, the changes proposed by this filing clarify CBOE's Fees Schedule.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and subparagraph (f)(2) of Rule 19b-4¹³ thereunder. At any time

⁹ See Footnote 6 of the Fees Schedule.

¹⁰ 15 U.S.C. 78f(b).

¹¹ 15 U.S.C. 78f(b)(4).

¹² 15 U.S.C. 78s(b)(3)(A).

within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic comments:

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>);
or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-CBOE-2010-068 on the subject line.

Paper comments:

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549-1090.

All submissions should refer to File Number SR-CBOE-2010-068. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the

Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE, Washington, DC 20549, on official business days between the hours of 10:00 am and 3:00 pm. Copies of such filing also will be available for inspection and copying at the principal office of the CBOE. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CBOE-2010-068 and should be submitted on or before [insert date 21 days from publication in the Federal Register].

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁴

Dated: _____

Florence E. Harmon
Deputy Secretary

4. SPONSORED USER FEES

Registration Fee \$2,500 (one-time)*

* This fee is a one-time fee payable by a TPH organization for the registration of each of its Sponsored Users. The Sponsored User Program is governed by CBOE Rule 6.20A.

CBOE Sponsored User Inactivity Fee \$5,000 per month*

*This fee would be charged only if a CBOE Sponsored User is not software certified by CBOE and has not established a production network connection and passed a login test within 90 days of CBOE's acceptance of its Sponsored User registration status and would continue to apply until the Sponsored User has completed all of the foregoing requirements or the Sponsored User's registration status is withdrawn.

FOOTNOTES:

(1) – (5) No change.

(6) The marketing fee will be assessed only on transactions of Market-Makers, e-DPMs, and DPMs, resulting from (i) customer orders from payment accepting firms, or (ii) customer orders that have designated a "Preferred Market-Maker" under CBOE Rule 8.13 at the per contract rate provided above on all classes of equity options, options on HOLDRs, options on ETFs, options on ETNs and index options; except that the marketing fee shall not apply to DJX, DXL, EEM, EWC, EWT, IWM, MNX, MVR, OEX, QQQQ, RSP, SPX, VIX, VPL, VWO, XBI, XEO, S&P 500 Dividend Index, binary options, credit default options, and credit default basket options. The fee will not apply to: Market-Maker-to-Market-Maker transactions including transactions resulting from orders from non-Trading Permit Holder market-makers; transactions resulting from accommodation liquidations (cabinet trades); and transactions resulting from any of the strategies identified and/or defined in footnote 13 of this Fees Schedule; and transactions in the Penny Pilot classes resulting from orders executed through the Hybrid Agency Liaison under Rule 6.14. A Preferred Market-Maker will only be given access to the marketing fee funds generated from a Preferred order if the Preferred Market-Maker has an appointment in the class in which the Preferred order is received and executed.

Rebate/Carryover Process. If less than 80% of the marketing fee funds collected in a given month is paid out by the DPM or Preferred Market-Maker in a given month, then the Exchange would refund such surplus at the end of the month on a pro rata basis based upon contributions made by the Market-Makers, e-DPMs, and DPMs in that month. However, if 80% or more of the funds collected in a given month is paid out by the DPM or Preferred Market-Maker, there will not be a rebate for that month unless the DPM or Preferred Market-Maker elects to have funds rebated. In the absence of such election, any excess funds will be included in an Excess

Pool of funds to be used by the DPM or Preferred Market-Maker in subsequent months. The total balance of the Excess Pool of funds for a DPM or a Preferred Market-Maker cannot exceed \$100,000. If in any month the Excess Pool balance were to exceed \$100,000, the funds in excess of \$100,000 would be refunded on a pro rata basis based upon contributions made by the Market-Makers, DPMs, and e-DPMs in that month. In addition, in any month, a DPM or a Preferred Market-Maker can elect to have any funds in its Excess Pool refunded on a pro rata basis based upon contributions made by the Market-Makers, DPMs, and e-DPMs in that month.

Each month, the Exchange assesses an administrative fee of .45% on the total amount of the funds collected each month; provided, however, that beginning on October 1, 2007, no Market-Maker, e-DPM or DPM would contribute more than 15% of the total amount of funds raised by the .45% administrative fee.

(7) - (8) No change.

(9) Effective May 1, 2009, transaction fees are waived for customer orders of 99 contracts or less in ETF, ETN and HOLDERS options. The Exchange will charge any leg of a complex order in ETF, ETN and HOLDERS options that exceeds 99 contracts, even if the leg is only partially executed below the 99 contract threshold.

(10) – (17) No change.

5. – 17. No change.

18. CUSTOMER LARGE TRADE DISCOUNT

A customer large trade discount program in the form of a cap on customer (“C” origin code) transaction fees is in effect for the options set forth below. Floor brokerage fees are not subject to the cap on fees. Qualification of an order for the fee cap is based on the trade date and order ID on each trade record. For complex orders, the total contracts of an order (all legs) are counted for purposes of calculating the fee cap.

Regular customer transaction fees will only be charged up to the following quantity of contracts per order, for the following options:

- SPX – charge only the first 10,000 contracts
- Other index options – charge only the first 5,000 contracts
- ETF, ETN and HOLDERS options – charge only the first 3,000 contracts

Remainder of Fees Schedule – No change.
