If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

EDGX Exchange, Inc. (the “Exchange” or “EDGX”) is filing this Partial Amendment No. 3 to SR-EDGX-2015-18 (the “Filing”), which was originally submitted on April 30, 2015. EDGX filed Amendment No. 1 on August 3, 2015, to modify certain details around the proposed program for Directed Orders, particularly with respect to small size orders. EDGX filed Amendment No. 2 on August 6, 2015, to modify the date of expiration of the Penny Pilot Program to coincide with the date currently in place on other options exchanges and to make slight modification to the section of the Filing related to National Market System plans that the Exchange is party to and intends to join.

The purpose of this Amendment No. 3 is to correct typographical errors in Amendment No. 1 and Amendment No. 2 to “BATS Exchange, Inc.” and “BATS”, which should have been to “EDGX Exchange, Inc.” and “EDGX”, respectively. The Exchange does not propose any other changes through this amendment.

#### Request for Accelerated Approval

The Exchange requests that the Commission approve this proposed rule change on an accelerated basis pursuant to Section 19(b)(2) of the Act. The Exchange believes that there is good cause for the Commission to accelerate effectiveness because it does not propose any substantive changes to the filing but would instead correct typographical errors. The Exchange further believes that the proposed rule change would not impose a burden on competition for the reasons set forth in the Filing. The Exchange believes that accelerated effectiveness of the Filing, as amended, will permit the Exchange to compete with other exchanges without delay, and that such acceleration is appropriate because there has been ample time for review and comment on the proposal. As a result, the Exchange believes good reasons exists for the Commission to accelerate effectiveness of the proposed rule change, as amended.
