1. Text of the Proposed Rule Change

(a) Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act” or “Exchange Act”)¹ and Rule 19b-4 thereunder,² EDGX Exchange, Inc. (“EDGX” or the “Exchange”) proposes to retire the Proprietary Trader and Proprietary Trader Principal registration categories and to establish the Securities Trader and Securities Trader Principal registration categories. The Exchange is also amending its rules to establish the Series 57 examination as the appropriate qualification examination for Securities Traders and deleting the rule referring to the S501 continuing education program currently applicable to Proprietary Traders. The Exchange will announce the effective date of the proposed rule change in a circular distributed to Members. The Exchange has designated this proposal as “non-controversial” and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.³

(b) The Exchange does not believe that the proposed rule change would have any direct or significant indirect effect on any other Exchange rule in effect at the time of this filing.

(c) Not applicable.

2. Procedures of the Self-Regulatory Organization

The proposed rule change was approved by senior management of the Exchange pursuant to authority delegated by the Board of Directors of the Exchange on February 11, 2014. Exchange staff will advise the Board of Directors of the Exchange of any

3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange is proposing herein to replace the Series 56 with the Series 57 examination and to make various related changes to its registration rules. Specifically, in response to the FINRA Amendments (defined below), the Exchange is proposing to retire the Proprietary Trader⁴ registration categories from its own registration rules relating to securities trading activity. It is also therefore retiring its Proprietary Trader Principal⁵ registration category. To take the place of the retired registration categories, the Exchange is establishing new Securities Trader and Securities Trader Principal registration categories. This filing is based upon and in response to SR-FINRA-2015-017, which was recently approved by the Commission.⁶

New Securities Trader Registration Category

⁴ Rule 2.5, Interpretation and Policy .01(f).

⁵ Rule 2.5, Interpretation and Policy .01(d).

⁶ See Securities Exchange Act Release No. 75783 (August 28, 2015), 80 FR 53369 (September 3, 2015) (approving SR-FINRA-2015-017) referred to herein as the "FINRA Amendments." According to the release, FINRA's expected effective date for the FINRA Amendments is January 4, 2016.

Currently, under Exchange Rule 11.4(e), each person associated with a member who is included within the definition of an “Authorized Trader” in Rule 1.5(d) is required to register with the Exchange and to pass an appropriate qualification examination before such registration may become effective. The Exchange recognizes the following qualification examinations as acceptable for purposes of registration as an Authorized Trader: Series 7, Series 56, or one of several foreign securities examination modules.

Interpretation and Policy .01(f) of Exchange Rule 2.5 currently provides that a person may register with the Exchange as a Proprietary Trader if such person engages solely in proprietary trading, passes the Series 56 examination and is an associated person of a proprietary trading firm as defined in Interpretation and Policy .01(g) of Exchange Rule 2.5. Therefore, pursuant to Interpretation and Policy .01 to Exchange Rule 2.5, an individual meeting these criteria may register in the Proprietary Trader category after passing the Series 56 examination rather than as a General Securities Representative after passing the Series 7 examination or equivalent foreign securities examination module.

In consultation with FINRA and other exchanges, and in order to harmonize the requirements for individuals engaged in trading activities, the Exchange is now proposing to retire the Proprietary Trader registration category. Similarly, the Exchange is proposing to adopt a new Securities Trader registration category.

Under Exchange Rules, as revised, each person associated with a member who is included within the definition of Authorized Trader will be required to register as a Securities Trader unless they instead qualify based on the Series 7 examination or an equivalent foreign securities examination module. Therefore, representatives who previously qualified for Proprietary Trader registration will be required to register as

Securities Traders. Accordingly, the Exchange is proposing to modify paragraph (f) of Interpretation and Policy .01 to reflect the new Securities Trader qualification as a permissible registration for Authorized Traders of Members that engage solely in trading on the Exchange on either an agency or principal basis. In order to register as a Securities Trader, an applicant would be required to have passed the new Securities Trader qualification examination (Series 57) or a predecessor examination (i.e., the Series 56, as described below).

A person registered as a Proprietary Trader in the Central Registration Depository (CRD®) system on the effective date of the proposed rule change will be grandfathered as a Securities Trader without having to take any additional examinations and without having to take any other actions. In addition, individuals who were registered as Proprietary Traders in the CRD system prior to the effective date of the proposed rule change will be eligible to register as Securities Traders without having to take any additional examinations, provided that no more than two years have passed between the date they were last registered as a representative and the date they register as a Securities Trader.

Persons registered in the new category would be subject to the continuing education requirements of Interpretation and Policy .02(e) to Rule 2.5. The Exchange proposes to amend Interpretation and Policy .02(e) by removing the option for Series 56 registered persons to participate in the S501 Series 56 Proprietary Trader continuing education program in order to satisfy the Regulatory Element. The S501 Series 56 Proprietary Trader continuing education program is being phased out along with the Series 56 Proprietary Trader qualification examination. As a result, effective January 4,

2016, the S501 Series 56 Proprietary Trader continuing education program for Series 56 registered persons will cease to exist. In place of the S501 Series 56 Proprietary Trader continuing education program for Series 56 registered persons, the Exchange proposes that Series 57 registered persons be required to take the S101 General Program for Series 7 and all other registered persons.

New Securities Trader Principal Registration Category.

Currently, under Interpretation and Policy .01(d), the Exchange requires each Member to register “Principals”⁷ with the Exchange. The Exchange requires the Series 24 examination to register as Principal. The Exchange will also accept the New York Stock Exchange Series 14 Compliance Official Examination in lieu of the Series 24 to satisfy the Principal examination requirement for any person designated as a Chief Compliance Officer. Further, in addition to the Series 24 or Series 14, in order to supervise the activities of General Securities Representatives a Principal generally must complete the Series 7 or an equivalent foreign examination module as a prerequisite to the Series 24 or Series 14. However, the Exchange currently permits the Series 56 as a prerequisite to the Series 24 or Series 14 for those Principals whose supervisory responsibilities are limited to overseeing the activities of proprietary traders, as described above. Like the Proprietary Trader category discussed above, the Proprietary Trader Principal registration category is being retired. Accordingly, the Exchange proposes to modify the references in the Rule regarding the prerequisite to the Series 24 or 14 for an individual that will supervise Series 57 qualified traders to correspond with the new

⁷ Pursuant to Interpretation and Policy .01(d) to Rule 2.5, a Principal is “any individual responsible for supervising the activities of a Member’s Authorized Traders and each person designated as a Chief Compliance Officer on Schedule A of Form BD.”

Securities Trader exam. The Exchange proposes to establish the Securities Trader Principal category in Interpretation and Policy .01(d).

The Exchange has been working with other exchanges and FINRA to develop this new principal registration category and believes that it is an appropriate corollary to the new Securities Trader representative registration category. To qualify for registration as a Securities Trader Principal, an applicant must become qualified and registered as a Securities Trader under proposed Interpretation and Policy .01(c) and pass either the Series 24 or Series 14 examination. A person who is qualified and registered as a Securities Trader Principal would only be permitted to have supervisory responsibility over the activities of Securities Traders, unless such person were separately qualified and registered in another appropriate principal registration category, such as the General Securities Principal registration category. Conversely, the proposed rule change clarifies that each principal who will have supervisory responsibility over registered Securities Traders is required to become qualified and registered as a Securities Trader Principal.

A person registered as a General Securities Principal and as a Proprietary Trader Principal in the CRD system on the effective date of the proposed rule change will be eligible to register as a Securities Trader Principal without having to take any additional examinations. An individual who was registered as a General Securities Principal and as a Proprietary Trader Principal in the CRD system prior to the effective date of the proposed rule change will also be eligible to register as a Securities Trader Principal without having to take any additional examinations, provided that no more than two years have passed between the date they were last registered as a principal and the date they register as a Securities Trader Principal. Members, however, will be required to

affirmatively register persons transitioning to the proposed registration category as Securities Trader Principals on or after the effective date of the proposed rule change.

Other Changes

In order to accomplish the changes proposed above, the Exchange has proposed modifications throughout Interpretation and Policy .01 and .02 to Rule 2.5 as well as Rule 11.4(e) to eliminate references to Proprietary Trader, Proprietary Trader Principal, and Series 56 examination and to replace such references with Securities Trader, Securities Trader Principal and Series 57 examination. The Exchange also proposes to modify Rule 11.18, which sets forth the registration requirements applicable to Market Maker Authorized Traders, or MMATs, to cross-reference Interpretation and Policy .01 and .02. Although Rule 11.18 currently requires an MMAT to qualify by taking the Series 7 examination, the Exchange does not intend to impose different registration or continuing education requirements on MMATs than are required of Authorized Traders generally. In addition to these changes, the Exchange proposes to delete paragraph (h) to Interpretation .01, which currently states that: “Principals responsible for supervising the activities of General Securities Representatives must successfully complete the Series 7 or an equivalent foreign examination module in addition to the Series 24.” The Exchange proposes to eliminate this provision as duplicative with existing language in Interpretation and Policy .01, including paragraph (d), which states that “[i]ndividuals that supervise the activities of General Securities Representatives must successfully complete the Series 7 or an equivalent foreign examination module as a prerequisite to the Series 24 or Series 14 and shall be referred to as General Securities Principals.” The Exchange also proposes to modify a reference in Interpretation and Policy .01(e) from

“General Securities Representative Principal” to “General Securities Principal.” In addition, the Exchange proposes to eliminate the fees applicable to the Series 56 examination as well as the fees associated with the continuing education necessary to maintain registration after passing the Series 56 examination. Consistent with all other examinations recognized by the Exchange, FINRA will administer the Series 57 examination and the continuing education requirements related thereto, and the Exchange will not be separately charging and collecting any fees in order to take such examination or participate in applicable continuing education. Finally, in order to continue to align the Exchange’s rules with the rules of its affiliated exchanges, BATS Exchange, Inc. and BATS Y-Exchange, Inc., the Exchange proposes to modify the language, but not the substance, of Rule 11.4(e).

(b) Statutory Basis

The Exchange believes that proposed rule change is consistent with Section 6(b)(5) of the Act,⁸ which requires, among other things, that the Exchange’s rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the requirements of the Securities Trader and Securities Trader Principal registration categories, as well as the new Securities Trader qualification examination, should help ensure that proprietary traders and the principals who supervise proprietary traders and proprietary trading are, and will continue to be, properly trained and qualified

⁸ 15 U.S.C. 78f(b)(5).

to perform their functions which should protect investors and the public interest.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Implementation of the proposed changes to the Exchange's registration rules in coordination with the FINRA Amendments does not present any competitive issues, but rather is designed to provide less burdensome and more efficient regulatory compliance for members and enhance the ability of the Exchange to fairly and efficiently regulate members, which will further enhance competition. Additionally, the proposed rule change should not affect intramarket competition because all similarly situated representatives and principals will be required to complete the same qualification examinations and maintain the same registrations.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

6. Extension of Time Period for Commission Action

Not applicable.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange has designated this rule filing as "non-controversial" under Section 19(b)(3)(A) of the Act⁹ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁰ The Exchange asserts that the proposed rule change: (1) will not significantly affect the protection of

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4.

investors or the public interest, (2) will not impose any significant burden on competition, (3) and will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing.¹¹

The Exchange believes that the proposed rule change meets the criteria of subparagraph (f)(6) of Rule 19b-4¹² because the proposed rule change would not significantly affect the protection of investors or the public interest; rather, the proposed rule change to retire the Proprietary Trader and Proprietary Trader Principal registration categories and to adopt the Securities Trader and Securities Trader Principal registration categories will promote harmonization between the Exchange, FINRA and other exchanges, resulting in greater uniformity and less burdensome and more efficient regulatory compliance. Additionally, the proposed rule change does not raise any new policy issues not previously considered by the Commission nor impose any significant burden on competition because it would result in less burdensome and more efficient regulatory compliance for common members. As described above, the Exchange notes that the proposed change is directly based on a proposed rule change submitted by FINRA that was previously subject to public notice and comment and approved by the Commission.¹³ Based on the foregoing, the proposed rule change does not present any unique issues not previously considered by the Commission, and the Exchange has

¹¹ 17 CFR 240.19b-4(f)(6)(iii).

¹² 17 CFR 240.19b-4(f)(6).

¹³ See FINRA Amendments, supra note 7.

accordingly designated this rule filing as “non-controversial” under Section 19(b)(3)(A) of the Act¹⁴ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁵

The Exchange respectfully requests that the Commission waive the 30-day operative delay so that the proposed rule change may become effective and operative upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act¹⁶ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁷ Waiver of the 30-day operative delay will allow the Exchange to implement the proposed rule changes prior to January 4, 2016, which is the expected effective date for the FINRA Amendments. The Exchange believes that waiver of the operative delay is consistent with the protection of investors and the public interest, as it will allow the Exchange to eliminate the Proprietary Trader and Proprietary Trader Principal registration categories and adopt the Securities Trader and Securities Trader Principal registration categories at the same time as FINRA and other exchanges.

At any time within sixty (60) days of the filing of such proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

8. Proposed Rule Change Based on Rules of Another Self-Regulatory Organization or of the Commission

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing herein to replace the Series 56 with the Series 57 examination and to make various related changes to its registration rules. Specifically, in response to the FINRA Amendments (defined below), the Exchange is proposing to retire the Proprietary Trader⁵ registration categories from its own registration rules relating to securities trading activity. ⁵ Rule 2.5, Interpretation and Policy .01(f).

⁶ Rule 2.5, Interpretation and Policy .01(d).

Exchange is establishing new Securities Trader and Securities Trader Principal registration categories. This filing is based upon and in response to SR-FINRA-2015-017, which was recently approved by the Commission.⁷

New Securities Trader Registration Category

Currently, under Exchange Rule 11.4(e), each person associated with a member who is included within the definition of an “Authorized Trader” in Rule 1.5(d) is required to register with the Exchange and to pass an appropriate qualification examination before such registration may become effective. The Exchange recognizes the following qualification examinations as acceptable for purposes of registration as an Authorized Trader: Series 7, Series 56, or one of several foreign securities examination modules.

Interpretation and Policy .01(f) of Exchange Rule 2.5 currently provides that a person may register with the Exchange as a Proprietary Trader if such person engages solely in proprietary trading, passes the Series 56 examination and is an associated person of a proprietary trading firm as defined in Interpretation and Policy .01(g) of Exchange Rule 2.5. Therefore, pursuant to Interpretation and Policy .01 to Exchange Rule 2.5, an individual meeting these criteria may register in the Proprietary Trader category after passing the Series 56 examination rather than as a General Securities Representative after passing the Series 7 examination or equivalent foreign securities examination module.

In consultation with FINRA and other exchanges, and in order to harmonize the requirements for individuals engaged in trading activities, the Exchange is now

⁷ See Securities Exchange Act Release No. 75783 (August 28, 2015), 80 FR 53369 (September 3, 2015) (approving SR-FINRA-2015-017) referred to herein as the “FINRA Amendments.” According to the release, FINRA’s expected effective date for the FINRA Amendments is January 4, 2016.

proposing to retire the Proprietary Trader registration category. Similarly, the Exchange is proposing to adopt a new Securities Trader registration category.

Under Exchange Rules, as revised, each person associated with a member who is included within the definition of Authorized Trader will be required to register as a Securities Trader unless they instead qualify based on the Series 7 examination or an equivalent foreign securities examination module. Therefore, representatives who previously qualified for Proprietary Trader registration will be required to register as Securities Traders. Accordingly, the Exchange is proposing to modify paragraph (f) of Interpretation and Policy .01 to reflect the new Securities Trader qualification as a permissible registration for Authorized Traders of Members that engage solely in trading on the Exchange on either an agency or principal basis. In order to register as a Securities Trader, an applicant would be required to have passed the new Securities Trader qualification examination (Series 57) or a predecessor examination (i.e., the Series 56, as described below).

A person registered as a Proprietary Trader in the Central Registration Depository (CRD®) system on the effective date of the proposed rule change will be grandfathered as a Securities Trader without having to take any additional examinations and without having to take any other actions. In addition, individuals who were registered as Proprietary Traders in the CRD system prior to the effective date of the proposed rule change will be eligible to register as Securities Traders without having to take any additional examinations, provided that no more than two years have passed between the date they were last registered as a representative and the date they register as a Securities Trader.

Persons registered in the new category would be subject to the continuing education requirements of Interpretation and Policy .02(e) to Rule 2.5. The Exchange proposes to amend Interpretation and Policy .02(e) by removing the option for Series 56 registered persons to participate in the S501 Series 56 Proprietary Trader continuing education program in order to satisfy the Regulatory Element. The S501 Series 56 Proprietary Trader continuing education program is being phased out along with the Series 56 Proprietary Trader qualification examination. As a result, effective January 4, 2016, the S501 Series 56 Proprietary Trader continuing education program for Series 56 registered persons will cease to exist. In place of the S501 Series 56 Proprietary Trader continuing education program for Series 56 registered persons, the Exchange proposes that Series 57 registered persons be required to take the S101 General Program for Series 7 and all other registered persons.

New Securities Trader Principal Registration Category.

Currently, under Interpretation and Policy .01(d), the Exchange requires each Member to register “Principals”⁸ with the Exchange. The Exchange requires the Series 24 examination to register as Principal. The Exchange will also accept the New York Stock Exchange Series 14 Compliance Official Examination in lieu of the Series 24 to satisfy the Principal examination requirement for any person designated as a Chief Compliance Officer. Further, in addition to the Series 24 or Series 14, in order to supervise the activities of General Securities Representatives a Principal generally must

⁸ Pursuant to Interpretation and Policy .01(d) to Rule 2.5, a Principal is “any individual responsible for supervising the activities of a Member’s Authorized Traders and each person designated as a Chief Compliance Officer on Schedule A of Form BD.”

complete the Series 7 or an equivalent foreign examination module as a prerequisite to the Series 24 or Series 14. However, the Exchange currently permits the Series 56 as a prerequisite to the Series 24 or Series 14 for those Principals whose supervisory responsibilities are limited to overseeing the activities of proprietary traders, as described above. Like the Proprietary Trader category discussed above, the Proprietary Trader Principal registration category is being retired. Accordingly, the Exchange proposes to modify the references in the Rule regarding the prerequisite to the Series 24 or 14 for an individual that will supervise Series 57 qualified traders to correspond with the new Securities Trader exam. The Exchange proposes to establish the Securities Trader Principal category in Interpretation and Policy .01(d).

The Exchange has been working with other exchanges and FINRA to develop this new principal registration category and believes that it is an appropriate corollary to the new Securities Trader representative registration category. To qualify for registration as a Securities Trader Principal, an applicant must become qualified and registered as a Securities Trader under proposed Interpretation and Policy .01(c) and pass either the Series 24 or Series 14 examination. A person who is qualified and registered as a Securities Trader Principal would only be permitted to have supervisory responsibility over the activities of Securities Traders, unless such person were separately qualified and registered in another appropriate principal registration category, such as the General Securities Principal registration category. Conversely, the proposed rule change clarifies that each principal who will have supervisory responsibility over registered Securities Traders is required to become qualified and registered as a Securities Trader Principal.

A person registered as a General Securities Principal and as a Proprietary Trader Principal in the CRD system on the effective date of the proposed rule change will be eligible to register as a Securities Trader Principal without having to take any additional examinations. An individual who was registered as a General Securities Principal and as a Proprietary Trader Principal in the CRD system prior to the effective date of the proposed rule change will also be eligible to register as a Securities Trader Principal without having to take any additional examinations, provided that no more than two years have passed between the date they were last registered as a principal and the date they register as a Securities Trader Principal. Members, however, will be required to affirmatively register persons transitioning to the proposed registration category as Securities Trader Principals on or after the effective date of the proposed rule change.

Other Changes

In order to accomplish the changes proposed above, the Exchange has proposed modifications throughout Interpretation and Policy .01 and .02 to Rule 2.5 as well as Rule 11.4(e) to eliminate references to Proprietary Trader, Proprietary Trader Principal, and Series 56 examination and to replace such references with Securities Trader, Securities Trader Principal and Series 57 examination. The Exchange also proposes to modify Rule 11.18, which sets forth the registration requirements applicable to Market Maker Authorized Traders, or MMATs, to cross-reference Interpretation and Policy .01 and .02. Although Rule 11.18 currently requires an MMAT to qualify by taking the Series 7 examination, the Exchange does not intend to impose different registration or continuing education requirements on MMATs than are required of Authorized Traders generally. In addition to these changes, the Exchange proposes to delete paragraph (h) to Interpretation

.01, which currently states that: “Principals responsible for supervising the activities of General Securities Representatives must successfully complete the Series 7 or an equivalent foreign examination module in addition to the Series 24.” The Exchange proposes to eliminate this provision as duplicative with existing language in Interpretation and Policy .01, including paragraph (d), which states that “[i]ndividuals that supervise the activities of General Securities Representatives must successfully complete the Series 7 or an equivalent foreign examination module as a prerequisite to the Series 24 or Series 14 and shall be referred to as General Securities Principals.” The Exchange also proposes to modify a reference in Interpretation and Policy .01(e) from “General Securities Representative Principal” to “General Securities Principal.” In addition, the Exchange proposes to eliminate the fees applicable to the Series 56 examination as well as the fees associated with the continuing education necessary to maintain registration after passing the Series 56 examination. Consistent with all other examinations recognized by the Exchange, FINRA will administer the Series 57 examination and the continuing education requirements related thereto, and the Exchange will not be separately charging and collecting any fees in order to take such examination or participate in applicable continuing education. Finally, in order to continue to align the Exchange’s rules with the rules of its affiliated exchanges, BATS Exchange, Inc. and BATS Y-Exchange, Inc., the Exchange proposes to modify the language, but not the substance, of Rule 11.4(e).

2. Statutory Basis

The Exchange believes that proposed rule change is consistent with Section

6(b)(5) of the Act,⁹ which requires, among other things, that the Exchange's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that the requirements of the Securities Trader and Securities Trader Principal registration categories, as well as the new Securities Trader qualification examination, should help ensure that proprietary traders and the principals who supervise proprietary traders and proprietary trading are, and will continue to be, properly trained and qualified to perform their functions which should protect investors and the public interest.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. Implementation of the proposed changes to the Exchange's registration rules in coordination with the FINRA Amendments does not present any competitive issues, but rather is designed to provide less burdensome and more efficient regulatory compliance for members and enhance the ability of the Exchange to fairly and efficiently regulate members, which will further enhance competition. Additionally, the proposed rule change should not affect intramarket competition because all similarly situated representatives and principals will be required to complete the same qualification examinations and maintain the same registrations.

Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (A) significantly affect the protection of investors or the public interest; (B) impose any significant burden on competition; and (C) by its terms, become operative for 30 days from the date on which it was filed or such shorter time as the Commission may designate it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and paragraph (f)(6) of Rule 19b-4 thereunder,¹¹ the Exchange has designated this rule filing as non-controversial. The Exchange has given the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (1) necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
