(the “Exchange” or “EDGX”) proposes to amend the Exchange’s Ninth Amended and Restated Bylaws (the “Exchange Bylaws”) the Fourth Amended and Restated Bylaws (the “Parent Bylaws”) of its parent corporation, Cboe Global Markets, Inc. (“Cboe Options”), Cboe C2 Exchange, Inc. (“C2 Options”), Cboe BYX Exchange, Inc. (“BYX”), Cboe BZX Exchange, Inc. (“BZX”), and Cboe EDGA Exchange, Inc. Item 3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The proposed rule change amends the Exchange Bylaws to (1) amend the provision regarding which offices may be held by the same person and (2) amend the description of

² See Section 9.3 of the Exchange Bylaws.

³ See Section 10.2 of the Parent Bylaws.

the duties of President of the Exchange. The proposed rule change also amends the Parent Bylaws to (1) amend the description of the duties of President of the Parent, (2) amend language relating to the definition of “director independence,” and (3) make a non-substantive update to the zip code for the registered office the Corporation.

Offices Held by Same Person

Section 5.1(b) of the Exchange Bylaws currently provides that two or more offices may be held by the same person, except the offices of Chief Executive Officer and President.⁴ The Exchange proposes to amend Section 5.1(b) of the Exchange Bylaws to eliminate this restriction, and thus permit the same person to hold the offices of Chief Executive Officer and President. This proposal will provide the Exchange with the flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of both Chief Executive Officer and the President.

Description of President

Section 5.3 of the Parent Bylaws and Section 5.3 of the Exchange Bylaws each provide that the President of the Parent or Exchange, as applicable, shall be the chief operating officer of the Parent or Exchange, as applicable. The Exchange proposes to amend Section 5.3 of each of the Parent Bylaws and Section 5.3 of the Exchange Bylaws to provide that the President of the Parent or Exchange, as applicable, may be the chief operating officer of the Parent or Exchange, as applicable. Pursuant to this proposed change, the President of the Parent or Exchange may also serve as the chief operating

⁴ Section 5.1(b) also prohibits the Chief Executive Officer and President from also being the Secretary or Assistant Secretary, which prohibition the proposal does not substantively amend.

officer,⁵ but, rather than requiring that one individual serve in both capacities, Parent and the Exchange will each have flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of the President and duties of a chief operating officer. In either case, Parent and the Exchange each will have one or more persons performing the necessary duties of each role.

Definition of Director Independence

Cboe recently determined to remove from listing its common stock, par value \$0.01 per share (the “Common Stock”), on the Nasdaq Stock Market LLC (“Nasdaq”) and to designate BZX as the primary listing venue for Parent’s Common Stock, which became effective in September 2018. In connection with the delisting and primary listing venue designation, the Exchange proposes to update certain corporate governance documents, including the Parent Bylaws. Particularly, the Exchange proposes to amend Section 3.3 of the Parent Bylaws to change the definition of director independence from referencing the listing standards of the New York Stock Exchange and Nasdaq to language referencing the listing standards of each national securities exchange on which the common stock of Parent is listed.

Registered Office Zip Code

The Exchange proposes to amend Section 1.1 of the Parent Bylaws to update the zip code of the Parent’s registered agent from 19805 to 19801. This change is in accordance with an update from the U.S. Postal Service.

⁵ This is consistent with the provision in each of the Parent Bylaws and Exchange Bylaws that provide that two or more offices may be held by the same person, subject to certain exceptions. See Section 5.1 of the Parent Bylaws and Section 5.1 of the Exchange Bylaws.

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(1) of the Act,⁷ which provides that the Exchange be organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by the Exchange's Trading Permit Holders and persons associated with its Trading Permit Holders with the Act, the rules and regulations thereunder, and the rules of the Exchange.

In particular, the Exchange believes the proposed changes are not material and will have a de minimis impact on the governance, ownership, or operations of the Exchange.

The proposed rule change to permit the same person to hold the offices of Chief Executive Officer and President of the Exchange will enable the Exchange to continue to be organized and have the capacity to be able to carry out the purposes of the Act, because it will provide the Exchange with flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of both Chief Executive Officer and the President. The Exchange will continue to have a Chief Executive Officer and President – the proposed change merely permits a single person rather than multiple

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(1).

people to hold these offices. This will ensure continued orderly operation of the Exchange in a manner the Exchange deems most appropriate.⁸

The proposed rule change to permit each of Parent and the Exchange to appoint different persons to serve as President and chief operating officer of each entity will enable the Exchange to continue to be organized and have the capacity to be able to carry out the purposes of the Act, because it will provide each entity with flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of President and a chief operating officer. Parent and the Exchange each will continue to have the necessary duties of each role performed – the proposed change merely permits multiple people rather than a single person to perform these duties. This will ensure continued orderly operation of the Exchange in a manner Parent and the Exchange deem most appropriate.

The Exchange believes in light of the delisting of Parent's Common Stock from Nasdaq, it is appropriate to remove the requirement to comply with the independence requirements contained in the listing standards of Nasdaq, as well as the independence requirements contained in the listing standards of NYSE. The Exchange notes that the independence requirements of BZX are substantially similar to the independence requirements contained in the listing standards of Nasdaq and NYSE.

The Exchange believes that by ensuring its parent company's governance documents accurately reflect the correct legal address of Parent's registered office, the proposed rule change would reduce potential investor or market participant confusion.

⁸ The proposed change also conforms this provision to the corresponding provision in Parent's Bylaws. See Section 5.1 of Parent's Bylaws.

Item 4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Parent Bylaws and Exchange Bylaws to reflect the changes described above.

Item 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

Item 6. Extension of Time Period for Commission Action

Not applicable.

Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)

(a) The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A) of Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder.

(b) The Exchange designates that the proposed rule change effects a change that (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest. Additionally, the Exchange has given the Commission written notice of its

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6).

intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

The proposed rule change does not significantly affect the protection of investors or the public interest, as the Exchange is not proposing any amendments to its ownership structure or trading rules. The proposed amendment to permit the same person to hold the offices of Chief Executive Officer and President of the Exchange will enable the Exchange to continue to be organized and have the capacity to be able to carry out the purposes of the Act, including to protect investors and the public interest. Parent and the Exchange each will continue to have a Chief Executive Officer and President – the proposed rule change merely permits the same person rather than multiple people hold these offices. This will ensure continued orderly operation of the Exchange in a manner the Exchange deems most appropriate.¹¹

The proposed amendment to permit each of Parent and the Exchange to appoint different persons to perform the duties of President and a chief operating officer of each entity will enable the Exchange to continue to be organized and have the capacity to be able to carry out the purposes of the Act, including to protect investors and the public interest. Parent and the Exchange each will continue to have the necessary duties of each role performed – the proposed change merely permits the Exchange to have multiple people rather than a single person perform these duties. This will ensure continued orderly operation of the Exchange in a manner Parent and the Exchange deem most appropriate.

¹¹ The proposed change also conforms this provision to the corresponding provision in Parent's Bylaws. See Section 5.1 of Parent's Bylaws.

The proposed amendment to remove the requirement to comply with the independence requirements contained in the listing standards of Nasdaq, as well as the independence requirements contained in the listing standards of NYSE, will further enable the Exchange to be organized and have the capacity to be able to carry out the purposes of the Act by imposing independence requirements on directors that are consistent with Parent's Common Stock listing. The Exchange notes that the independence requirements of BZX are substantially similar to the independence requirements contained in the listing standards of Nasdaq and NYSE, and the Exchange's current independent directors satisfy the proposed independence requirements. The proposed amendment to update the zip code of Parent's registered office in accordance with the U.S. Postal Service update will reduce potential investor or market participant confusion.

The proposed rule change does not impose any significant burden on competition, as it is not intended to address competitive issues but rather is concerned solely with updating the Parent Bylaws and Exchange Bylaws to reflect the changes described above.

For the foregoing reasons, this rule filing qualifies as a "non-controversial" rule change under Rule 19b-4(f)(6), which renders the proposed rule change effective upon filing with the Commission. At any time within 60 days of the filing of this proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

The Exchange respectfully requests that the Commission waive the five-day pre-filing requirement and the 30-day operative delay period after which a proposed rule change under Rule 19b-4(f)(6) becomes effective. As discussed above, the Exchange believes the proposed changes are not material and will have a de minimis impact on the governance, ownership, or operations of the Exchange. The proposed rule change is concerned solely with updating the Parent Bylaws and Exchange Bylaws to reflect the changes described above. The proposed rule change does not propose any amendments to its ownership structure or trading rules. Waiver of the operative delay will permit the Exchange, if it deems appropriate, to appoint the same person as Chief Executive Officer and President in a timely manner as soon as it deems such action is necessary and appropriate and in the best interests of the Exchange. This will permit a smooth operational transition to the extent any changes to these offices are made. The Exchange will continue to have a Chief Executive Officer and President – the proposed rule change merely permits the Exchange to have the same person rather than multiple people hold these offices, ensuring continued orderly operation of the Exchange.

Waiver of the operative delay will also permit each of Parent and the Exchange, if each deems appropriate, to appoint different persons to perform the duties of President and a chief operating officer of each entity in a timely manner as soon as it deems such action is necessary and appropriate and in the best interests of the Exchange. This will permit a smooth operational transition to the extent any changes to these roles are made. Parent and the Exchange each will continue to have the necessary duties of each role performed – the proposed change merely permits the Exchange to have multiple people

rather than a single person performing these duties, ensuring continued orderly operation of the Exchange.

Waiver of the operative delay is also appropriate with respect to the proposed amendment to remove the requirement to comply with the independence requirements contained in the listing standards of Nasdaq, as well as the independence requirements contained in the listing standards of NYSE, because the amendment is consistent with the delisting of Parent's Common Stock from Nasdaq and listing of Parent's Common Stock on BZX (which became effective in September 2018). The independence requirements of BZX are substantially similar to the independence requirements contained in the listing standards of Nasdaq and NYSE, and the Exchange's current independent directors satisfy the proposed independence requirements. The proposed amendment to update the zip code of Parent's registered office in accordance with the U.S. Postal Service update is a nonsubstantive, administrative change and will reduce potential investor or market participant confusion as soon as possible.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on [insert date], Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. Exchange Bylaws is included in Exhibit 5A, and the text of the proposed amendments to the Parent Bylaws is included in Exhibit 5B.

The text of the proposed rule change is also available on the Exchange's website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change amends the Exchange Bylaws to (1) amend the provision regarding which offices may be held by the same person and (2) amend the description of the duties of President of the Exchange. The proposed rule change also amends the Parent Bylaws to (1) amend the description of the duties of President of the Parent, (2) amend language relating to the definition of "director independence," and (3) make a non-substantive update to the zip code for the registered office the Corporation.

Offices Held by Same Person

Section 5.1(b) of the Exchange Bylaws currently provides that two or more offices may be held by the same person, except the offices of Chief Executive Officer and

President.⁵ The Exchange proposes to amend Section 5.1(b) of the Exchange Bylaws to eliminate this restriction, and thus permit the same person to hold the offices of Chief Executive Officer and President. This proposal will provide the Exchange with the flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of both Chief Executive Officer and the President.

Description of President

Section 5.3 of the Parent Bylaws and Section 5.3 of the Exchange Bylaws each provide that the President of the Parent or Exchange, as applicable, shall be the chief operating officer of the Parent or Exchange, as applicable. The Exchange proposes to amend Section 5.3 of each of the Parent Bylaws and Section 5.3 of the Exchange Bylaws to provide that the President of the Parent or Exchange, as applicable, may be the chief operating officer of the Parent or Exchange, as applicable. Pursuant to this proposed change, the President of the Parent or Exchange may also serve as the chief operating officer,⁶ but, rather than requiring that one individual serve in both capacities, Parent and the Exchange will each have flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of the President and duties of a chief operating officer. In either case, Parent and the Exchange each will have one or more persons performing the necessary duties of each role.

Definition of Director Independence

⁵ Section 5.1(b) also prohibits the Chief Executive Officer and President from also being the Secretary or Assistant Secretary, which prohibition the proposal does not substantively amend.

⁶ This is consistent with the provision in each of the Parent Bylaws and Exchange Bylaws that provide that two or more offices may be held by the same person, subject to certain exceptions. See Section 5.1 of the Parent Bylaws and Section 5.1 of the Exchange Bylaws.

Cboe recently determined to remove from listing its common stock, par value \$0.01 per share (the “Common Stock”), on the Nasdaq Stock Market LLC (“Nasdaq”) and to designate BZX as the primary listing venue for Parent’s Common Stock, which became effective in September 2018. In connection with the delisting and primary listing venue designation, the Exchange proposes to update certain corporate governance documents, including the Parent Bylaws. Particularly, the Exchange proposes to amend Section 3.3 of the Parent Bylaws to change the definition of director independence from referencing the listing standards of the New York Stock Exchange and Nasdaq to language referencing the listing standards of each national securities exchange on which the common stock of Parent is listed.

Registered Office Zip Code

The Exchange proposes to amend Section 1.1 of the Parent Bylaws to update the zip code of the Parent’s registered agent from 19805 to 19801. This change is in accordance with an update from the U.S. Postal Service.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with Section 6(b)(1) of the Act,⁸ which provides that the Exchange be organized and have the capacity to be able to carry out the purposes of the Act and to enforce compliance by the Exchange’s Trading Permit Holders and

⁷ 15 U.S.C. 78f(b).

⁸ 15 U.S.C. 78f(b)(1).

persons associated with its Trading Permit Holders with the Act, the rules and regulations thereunder, and the rules of the Exchange.

In particular, the Exchange believes the proposed changes are not material and will have a de minimis impact on the governance, ownership, or operations of the Exchange.

The proposed rule change to permit the same person to hold the offices of Chief Executive Officer and President of the Exchange will enable the Exchange to continue to be organized and have the capacity to be able to carry out the purposes of the Act, because it will provide the Exchange with flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of both Chief Executive Officer and the President. The Exchange will continue to have a Chief Executive Officer and President – the proposed change merely permits a single person rather than multiple people to hold these offices. This will ensure continued orderly operation of the Exchange in a manner the Exchange deems most appropriate.⁹

The proposed rule change to permit each of Parent and the Exchange to appoint different persons to serve as President and chief operating officer of each entity will enable the Exchange to continue to be organized and have the capacity to be able to carry out the purposes of the Act, because it will provide each entity with flexibility to appoint the person or persons it deems qualified and appropriate to perform the duties of President and a chief operating officer. Parent and the Exchange each will continue to have the necessary duties of each role performed – the proposed change merely permits multiple people rather than a single person to perform these duties. This will ensure

⁹ The proposed change also conforms this provision to the corresponding provision in Parent's Bylaws. See Section 5.1 of Parent's Bylaws.

continued orderly operation of the Exchange in a manner Parent and the Exchange deem most appropriate.

The Exchange believes in light of the delisting of Parent's Common Stock from Nasdaq, it is appropriate to remove the requirement to comply with the independence requirements contained in the listing standards of Nasdaq, as well as the independence requirements contained in the listing standards of NYSE. The Exchange notes that the independence requirements of BZX are substantially similar to the independence requirements contained in the listing standards of Nasdaq and NYSE.

The Exchange believes that by ensuring its parent company's governance documents accurately reflect the correct legal address of Parent's registered office, the proposed rule change would reduce potential investor or market participant confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the Parent Bylaws and Exchange Bylaws to reflect the changes described above.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

A. significantly affect the protection of investors or the public interest;

B. impose any significant burden on competition; and
