Partial Amendment

Add Remove View

If the self-regulatory organization is amending only part of the text of a lengthy proposed rule change, it may, with the Commission's permission, file only those portions of the text of the proposed rule change in which changes are being made if the filing (i.e. partial amendment) is clearly understandable on its face. Such partial amendment shall be clearly identified and marked to show deletions and additions.

PARTIAL AMENDMENT

Chicago Board Options Exchange, Incorporated (“CBOE” or the “Exchange”) submits this Amendment, constituting Amendment No. 2, to rule filing SR-CBOE-2012-120, in which the Exchange proposes to permit the listing and trading of P.M.-settled S&P 500 Index options on a pilot basis. The purpose of this Amendment No. 2 is to provide a more robust purpose section. No changes to the proposed rule text that was submitted in the original filing are being proposed by this Amendment No. 2. The Exchange has withdrawn Amendment No. 1 to rule filing SR-CBOE-2012-120.

Specifically, the Exchange proposes to insert the following paragraph immediately before the first full paragraph on page 10 of the 19b-4 of the proposed rule filing and immediately before the final paragraph on page 24 to Exhibit 1:

The Exchange does not expect that CBOE Trading Permit Holders will experience significant operations issues regarding the proposed rule change. The listing of SPXPM is merely the listing of a new class to be traded on Hybrid, and from the standpoint of Trading Permit Holders, the procedures and processes involved are similar to those involved with the listing and trading of any other new class on Hybrid. Currently, there are no C2 Trading Permit Holders that are not also CBOE Trading Permit Holders, so any C2 Trading Permit Holder that is currently trading SPXPM on C2 will have access to trade SPXPM on CBOE. As with any other new class, any CBOE Market-Maker who wishes to act as a Market-Maker for SPXPM will have to follow the Exchange’s Market-Maker appointment procedures and get an SPXPM appointment.
