

CBOE Bats Integration Conference Call on June 6, 2017

Overview

At 11:30 a.m. CT on June 6, 2017, CBOE will hold a conference call for CBOE and Bats customers to provide an implementation plan update and schedule for integrating both **CFE** and **C2** trading platforms to Bats technology. During the call, we will provide details regarding our data center strategy, an integration timeline, key transition dates, and additional information.

To access the event please use the following credentials:

Dial-In (Toll Free): 1-877-883-0383

Dial-In (International): 1-412-902-6506

Participant Code: 4834486

(Participants should dial in 10-15 minutes early to join the conference)

Access the event via webcast: <http://services.choruscall.com/links/cboe170606xplMczTy.html>

Additional Information

Please contact the CFE Trade Desk, CBOE Bats Trade Desk or your Sales Account Manager with any questions. Additionally, you may refer to the integration website for more details at <http://www.CBOE.com/BatsIntegration>.

We appreciate your continued support and will work hard every day to keep earning your business. As always, we are committed to our customers and to making markets better as your partner in trading.
