

CFE Introduces Customized Access for Order Cancel and Risk Management Web Portal Tools

Reference ID: C2018060701

Overview

Cboe Futures Exchange, LLC (“CFE”) is introducing additional customized access to Web Portal tools. Effective **June 17, 2018**, Account Administrators of CFE Trading Privilege Holders (“TPHs”) and Clearing Firms will be able to request customized Web Portal account access to the Order Cancel and Risk Management Web Portal tools for users at their respective firms. Access may be restricted to a specific Executing Firm ID (“EFID”) or a group of EFIDs. Support for customized access to the Trade Data, Order Lookup, Logical Ports, and Latency Dashboard Web Portal tools is already available.

Account Administrator Requests for Customized Web Portal Access

CFE Account Administrators should contact the CFE Trade Desk to request any customized access for the Customer Web Tools listed above.

We appreciate your continued support and will work hard every day to keep earning your business by powering your potential to stay ahead of an evolving market. As always, we are committed to our customers and to making markets better as your partner in trading.
