

## Cboe Options EFID List Available in Customer Web Portal

Reference ID: C2020050800

### Overview

**Applicable Cboe Exchanges:** BZX Options, Cboe Options, C2 Options, EDGX Options

**Effective May 15, 2020**, a list of firm EFIDs and associated OCC IDs will be made available for reference in the [Customer Web Portal](#). A link will be available for each of the four Options Exchanges.

### Technical Details

On the effective date, a new “EFID List” tool will be available under the **Cboe Exchange Tools** menu of the Customer Web Portal. The tool will link to each of the four Options Exchanges where it will display the relevant list of firms with associated EFIDs and OCC IDs. No new privileges are required, therefore these lists can be viewed by any portal user.

### Testing Opportunities

This functionality will be available in the [Certification Customer Web Portal](#) on May 12, 2020.

### Additional Information

For more information, please refer to the following technical specification:

- [US Customer Web Portal Specification](#)

Please contact the Cboe Trade Desk for support or with any questions.

We appreciate your business and remain committed to powering your potential with Cboe products, technologies, and solutions.
