Cboe Silexx Announcement – March 28, 2022

Reference ID: C2022032800

Overview

Cboe Silexx is excited to announce the following enhancements:

> **Corporate Calendar** – includes a count of dividends and earnings events by month.

> **Order Manager** – shortcut button added to provide Average Price Summary.

> **Quick Trade Ticket** – shortcut button added to open a new Quick Trade ticket from an existing ticket.

Reminder of Existing Features:

> The **Flex Notices** module displays Flex-specific trade events as they are received from OPRA. Module is available to all users enabled with OPRA market data.

> Cboe Silexx's robust **FIX network** allows users to send and receive orders as well as drop copies. This growing network is not just limited to firms using Silexx, but is available to all OEMS platforms.

Please contact Cboe Floor Support for Cboe Silexx training and contact Cboe Silexx Support for technical questions.

We appreciate your business. Our trading community inspires and drives our mission of defining markets.
