

Cboe Silexx Announcement – May 16, 2022

Reference ID: C2022051600

Overview

Cboe Silexx is excited to announce the following enhancements:

- The **OCC TIMS Margin Viewer** allows the user to view margin requirements, net asset value, haircut value, and several other account-level metrics that comprise the Theoretical Intermarket Margining System (TIMS). Available by admin request to Silexx Support. Appropriate market data required.
- A platform-wide setting has been added to **Use FormT Trades in Last Price Updates**, allowing pre-market and after-market FormT trades to be factored into "Last Price," "% Change," and "Net Change" fields.

Please contact Cboe Floor Support for Cboe Silexx training and contact Cboe [Silexx Support](#) for technical questions.

We appreciate your business. Our trading community inspires and drives our mission of defining markets.
