

## Cboe Europe - Secondary Data Centre Migration

**Applicable Cboe Exchanges: BXE, CXE, DXE, APA, SIS, BIDS**

### Overview

Dear Cboe Europe Participants, Cboe Europe is undertaking a relocation of its secondary Data Centre site from **Equinix LD3** to **Equinix LD9** as part of a long-term programme to strengthen operational resilience, enhance infrastructure capacity, and ensure our technology ecosystem continues to scale with the needs of our Participants and partners.

### Indicative Timeline

Indicative Timeline	Milestone
2026 Q1-Q2	Cboe Europe LD9 site set up. Connectivity options and transition arrangements communicated to relevant parties
June 2026	Participants and vendors can start ordering connectivity to LD9, and can no longer order connectivity to LD3
2026 Q3	Availability of the new Cboe BIDS Europe Secondary Platform
2026 Q4 – 2027 Q1	Migration of Cboe Europe Secondary Platforms
2027 Q1	Deadline for migration of Participant and vendor connectivity from LD3 to LD9

Cboe will continue working closely with Participants, vendors, and Equinix to ensure a smooth and well-communicated migration.

### Additional information

Additional detail on timelines, connectivity options, transition arrangements as well as participant and vendor requirements will be provided in the coming weeks.

Further information and FAQs related to this migration is available [here](#).

Please contact the Cboe Europe Trade Desk or your [Account Manager](#) with any questions.
