

## Cboe Europe Weekend System Testing

Applicable Cboe Exchanges: **BXE, CXE, DXE, APA, SIS**

### Overview

Effective Saturday 7<sup>th</sup> March 2026 Cboe Europe (Cboe) will bring up the Production environments for Participant testing on all Saturdays.

Weekend testing updates will be available on the [Europe Weekend Testing Availability Webpage](#), showing all available testing weekends for the supported exchange platforms. Please note that weekends will be colour-coded to signify testing status as per the [previous announcement](#).

Additional details for attended Participant weekend test day will be communicated at a later date.

### Participants should take the following actions:

- **Production Data** – Please ensure that your **Production systems are not configured to send Production trade reports when Cboe systems come up on Saturday mornings**, as all data from weekend test days will be discarded as test data.
- Please **ignore and discard** any observed data, as it is solely test data.

### Contact Information

Please contact the Cboe Europe Trade Desk for support or with any questions.
