

Cboe Introduces Email Subscription Management Tool

Applicable Cboe Exchanges: **BXE, CXE, DXE, APA, SIS, BIDS**

Overview

Effective immediately, Cboe will introduce the Email Subscription Management Tool, which will allow Users to manage subscriptions to various Cboe mailing lists.

Technical Details

Effective immediately, existing Users can subscribe to or unsubscribe from certain Cboe mailing lists using the new Email Subscription Management Tool available in the [EU Customer Web Portal](#).

Users will initially be able to subscribe to the following mailing lists:

- Fee Schedule
- System Status
- Trade Desk Updates
- Schedule Updates

Notice subscriptions are organised by venues, allowing Users to select which communications they receive based on the venues with which they are associated.

To update subscription preferences, Users may select or clear the check boxes from any existing subscriptions and then select **Update Subscriptions**. Users may also remove themselves from all mailing lists by selecting the **Unsubscribe All** option.

For more information, please see the [Cboe Titanium EU Customer Web Portal Specification](#).

Contact Information

Please contact the Cboe Europe Trade Desk for support or with any questions.

We appreciate your business. Our trading community inspires and drives our purpose of building trusted markets.
