**July 13 Weekend Test Script**
1. BATS market centers will be available for connectivity by 9AM ET.
2. BYX Exchange and BZX Exchange will allow for a brief pre-market trading session.
3. The open will be simulated to occur at 9:30AM ET as usual.
4. The close will take place at 12PM ET.
5. Double wide bands will be in place from 9:30AM –10:00AM ET and from 11:35PM – 11:45PM ET.
6. From 11:45 – 12:00PM ET, zero band prices will be disseminated.
7. BATS has reserved symbols CJES, ENOR, INDA, and ZBZX for internal testing purposes and as such any orders submitted in these symbols will be rejected by BATS for the duration of the test.
8. All other BATS listed symbols will be available for general industry LULD testing.
9. Non-BATS listed symbols reserved by the other Exchanges may be rejected during the test.

**LULD Test Cases**
While Exchanges will be performing internal LULD testing on symbols defined in the Weekend Test Script above, it is highly recommended Members conduct LULD testing of their own during the weekend test window. Refer to the Recommended LULD Phase 2 Testing Scenarios defined in the [BATS Limit Up/Limit Down FAQ](#).

**For More Information**
Refer to the [BATS Limit Up/Limit Down FAQ](#) for further information regarding Limit Up/Limit Down.
