Waiver of Cboe Bitcoin (USD) Futures December Transaction Fees

CFE will be waiving all of its transaction fees for XBT futures in December 2017.

CFE plans to implement the following transaction fees for Cboe Bitcoin (USD) (XBT) futures commencing on January 1, 2018:

A. CFE TPH Permit Holder	
1. Cboe Options trading permit holder ¹	\$0.25
2. Non-Cboe Options trading permit holder	\$0.25
B. Customer	\$0.50
C. Day Trade	There is no day trade discount applicable to XBT futures.
D. Block Trades	\$0.50

(Fee is in addition to other applicable transaction fees)

¹This rate is also assessed to any CFE TPH permit holder that is not a Cboe Options trading permit holder but is majority owned by a Cboe Options trading permit holder.

These fees and the December XBT futures fee waiver are included in an updated CFE Fee Schedule that is posted at <http://www.cboe.com/publish/cfeeeschedule/cfeeeschedule.pdf>.
