

Cboe Options Exchange (C1) Technology Integration Update Conference Call on November 13, 2018

Reference ID: C2018100500

Integration Call

Cboe will conduct its next technology integration conference call at 11:30 a.m. CT on November 13, 2018, to update customers regarding the migration of the **Cboe Options Exchange ("C1")** trading platform to Bats technology. Details regarding our data center strategy, the integration timeline, and key milestone dates will be provided during the call, as well as additional information.

To access the event please use the following credentials:

Dial-In (Toll Free): 1-877-883-0383

Dial-In (International): 1-412-902-6506

Participant Code: 8611304

(Participants should dial in 10-15 minutes early to join the conference)

Access the event via webcast: <https://services.choruscall.com/links/cboe181113AiJl6SaP.html>

Platform Integration Schedule

The C1 Integration Schedule overview appears below. Additional detailed information regarding the Integration Schedule, including incremental feature packs to be released on the C2, EDGX, and BZX Options Exchanges in advance of the C1 migration date, will be provided during the call.

C1 Integration Schedule (**COMPLETE**)

Target Date*	Milestone
04/30/18	SPX A.M. settled options converted to the standard Hybrid trading platform.
10/15/18	Rollout of PAR 2.0 (new floor terminals) begins.
11/16/18	Technical Specifications for C1 on Bats technology distributed to clients and available on the technical specifications website .
02/01/19	Physical connections to the new C1 platform accepted. <i>C1 will have dedicated network infrastructure and customer connections, separate from our other U.S. equity and options exchanges.</i>
03/01/19	Certification period for customer testing begins.
10/07/19**	C1 migration to Bats technology completed.

* While target dates are subject to change, any updates will be communicated to TPHs/Members via email, on the Cboe (cboe.com) website and at <https://batsintegration.cboe.com/c1>.

** pending regulatory review

Additional Information

Please contact the Cboe Trade Desk, Cboe Operations Support Center, or your Sales Account Manager with any questions. For additional general details regarding the integration you may also refer to the integration website at <http://www.cboe.com/batsintegration>, or for additional C1 specific information you may refer to the C1 integration website:
