

## Cboe to Observe Moment of Silence on Friday, September 10, 2021

Reference ID: C2021091000

### Overview

Cboe Global Markets will join other market participants in observing a one-minute moment of silence at 9:03 a.m. ET this morning, the time when the second plane hit the second tower, to commemorate the twentieth anniversary of the 9/11 attacks and honor the victims, survivors, and their families.

While trading will not be affected, we encourage market participants to join us in this silent tribute.

Please contact the Cboe Trade Desk or your Director of Sales with any questions.
