

## Reminder and Update - MATCHNow Platform Migration Conference Call on June 22, 2021

Reference ID: C20210621

### Overview

At **12:30 p.m. EST on June 22, 2021**, Cboe will hold a conference call for MATCHNow clients, vendors, and regulators, along with BIDS Trading clients, to discuss the implementation plan for MATCHNow's enhanced Conditionals offering, referred to as "Cboe LIS – Powered by BIDS".

This call will focus exclusively on plans for the enhanced Conditionals offering, including timelines and significant functionality enhancements, such as the introduction of a Sponsored Access model.

### Pre-Registration and Call/Webcast Information

To access the event, participants may pre-register for the webcast and conference call in advance using the following link: [Diamond Pass Registration \(dpregister.com\)](https://dpregister.com).

Once registered, clients will receive dial-in information, an automatic calendar invite, and relevant notifications preceding and during the call as needed.

*If you have not pre-registered for the call, you may use the below link and dial-in information to join the webcast and conference call:*
