

Trading Schedule for the Presidents' Day Holiday

Cboe U.S. equities and the options exchanges will be closed on **Monday, February 18**, in observance of Presidents' Day. Normal trading will resume on Tuesday, February 19. See the [Tradedesk Update](#). CFE trading hours for the holiday can be found [here](#). To provide additional opportunities for holiday testing, the CFE certification environment will be configured to observe a holiday trading session beginning **Sunday, February 10**. See the [schedule](#).

Cboe Begins Rollout of Options on 11 Select Sector Indices Published by S&P

On Thursday, Cboe began the rollout of new large-sized, cash settled options on 11 Select Sector Indices that comprise a sub-index of the S&P 500® Index. Cboe Select Sector Index options are designed to provide investors with an easy way to add exposure to particular U.S. industry sectors to their portfolios. The new options are expected to have particular utility for investors seeking an alternative to options on exchange-traded funds (ETFs). For more information, see the [press release](#) or [read](#) the blog.

Update: Cboe Options Technology Integration Feature Pack 4 – Market Data Enhancements

Effective **Thursday, February 28**, Cboe will introduce multiple enhancements to market data dissemination functionality for BZX, C2 and EDGX Options Exchanges, subject to regulatory review. See the [Tradedesk Update](#).

Cboe Options Technology Integration Feature Pack 5 – Simple Order Auctions

Effective, **Thursday, March 21**, Cboe will introduce multiple enhancements to simple order auction functionality for the EDGX Options Exchange, subject to regulatory review. See the [Tradedesk Update](#).
