

Cboe Options Exchange Technology Conference Call on March 19

Cboe Global Markets will conduct its next technology migration customer conference call at 11:30 a.m. CT on **Tuesday, March 19**. Cboe will update customers on the planned migration of Cboe Options Exchange (C1) to Bats technology on **October 7, 2019**, subject to regulatory review.

For updated information on the migration visit the [Technology Integration website](#).

Important C1 Migration Updates

Cboe's technology team has made several updates to its migration plans, including updated information about the migration timeline, feature packs, technical reference documents and physical port billing. See the [Tradedesk Update](#) for full details.

Dissemination of Non-firm Quotes to OPRA in the Pre-market

On Thursday, Cboe introduced multiple enhancements to its **Feature Pack 4** market data dissemination functionality for BZX, C2 and EDGX Options Exchanges.

Effective today, **Friday, March 1**, Cboe will resume dissemination of "non-firm" quotes to OPRA in the pre-open queuing sessions until further notice. All other C1 Feature Pack 4 market data enhancements will continue to function as originally announced and implemented. See the [Tradedesk Update](#).

Cboe Options Technology Integration Feature Pack 5 – Simple Order Auctions

Effective **Thursday, March 21**, Cboe will introduce multiple enhancements to simple order auction functionality for the EDGX Options Exchange, subject to regulatory review. See the [Tradedesk Update](#).

Sunset of BOE Bulk Order Message Types

On **Friday, March 29**, Cboe will retire the Bulk Order message type as implemented in the U.S. Options BOE protocol. Bulk Order message types over Binary Order Entry (BOE) bulk quoting ports will become inactive. See the [Tradedesk Update](#).

Cboe to Present at the Raymond James Conference on Monday

35th Annual Cboe RMC U.S. 2019

Cboe will host the 35th annual Cboe Risk Management Conference (RMC) on **Monday, March 25**, through **Wednesday, March 27**, at the Park Hyatt Aviara in Carlsbad, California. The three-day conference features multiple presentations and discussions led by highly regarded industry experts. The full agenda and list of speakers is available at www.cboermcus.com

Trading Floor Coat Rack and Storage Area

Cboe has installed a coat rack and adjacent storage cubbies outside the back of the VIX[®] index trading pit for use by all trading floor personnel. In addition, a video-only security camera was installed to monitor the area. Cboe is not responsible for any items that are lost or left on the coat rack or in the cubbies. See the [Tradedesk Update](#).

We encourage your input on these and other exchange matters. Please feel free to contact us.
