

## Cboe Town Hall on PAR 2.0 Names Later Feature

Market Structure and Functionality (MSF) and Trading Floor Operations will host a Town Hall to provide details related to Names Later, a new PAR feature. Trading Permit Holder (TPH) PAR brokers and Compliance Officers are strongly encouraged to attend.

**Tuesday, April 9**

**Cboe 4<sup>th</sup> floor auditorium**

**3:30 pm CT**

See the [Tradedesk Update](#) for more details.

## Important Cboe Options Exchange Migration Update

Cboe's technology team has made several updates to its migration plans, including updated information about the migration timeline, feature packs, technical reference documents and physical port billing. See the [Tradedesk Update](#) for details.

## Technology Integration Feature Pack 6

Effective **Thursday, May 2**, Cboe plans to introduce new functionality to the Cboe EDGX Options Exchange to support AON orders, as well as updates to Step-Up-Mechanism (SUM) orders, subject to regulatory review. Testing of the new AON order functionality will be available in the Cboe EDGX Options certification environment effective today, **Friday, April 5**.

The new features and enhancements are in preparation for the migration of Cboe Options Exchange (C1) to Bats technology on **October 7, 2019**, subject to regulatory review. For more information on Feature Pack 6, see the [Tradedesk Update](#).

## Reminder: EDGX to List XSP Options Monday

On **Monday, April 8**, Cboe EDGX Options Exchange plans to list for trading Mini-SPX Index (XSP) options. This listed index option will reside exclusively on Matching Unit 33.

XSP options are currently available for testing in the Cboe EDGX certification environment. A weekend test is scheduled for tomorrow, **Saturday, April 6**, for members within the EDGX production environment. For more information, see the [Tradedesk Update](#).

## Cboe Reports March 2019 Trading Volume

## Cboe Begins Listing Options on Lyft, Inc. (LYFT)

On **Thursday**, Cboe began listing options on Lyft, Inc. (LYFT). Lyft options are listed on Cboe's four options exchanges – C1, C2, BZX and EDGX. See the [press release](#).

## New CFE Products Being Added in April 2019

For additional details on each of the contracts being added to CFE this month, see the [Tradedesk Update](#).

## Trading Schedule for Good Friday Holiday

Cboe U.S. equities and options exchanges will be closed on **Friday, April 19**, in observance of Good Friday. Normal trading will resume on **Monday, April 22**. See the [Tradedesk Update](#). CFE trading hours for the holiday can be found [here](#).

## Power Shutdown in Chicago

On **Friday, April 19**, at 8:00 a.m. CT, the Cboe Facilities Department will begin maintenance on the electrical infrastructure network within the Chicago building at 400 South LaSalle. To complete this work, a shutdown of power is required for the entire building, including the data centers and trading floor. The work is scheduled to be completed by 8:00 a.m. CT on **Saturday, April 20**. See the [Tradedesk Update](#) for more information.

We encourage your input on these and other exchange matters. Please feel free to contact us.
